We have performed the procedures enumerated below, which were agreed to by the County Executive solely to assist you with evaluating the County's Cash Collection Process in the Law Library. Management is responsible for internal control over the cash collection process. This Agreed-Upon Procedures engagement was conducted in accordance with standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.
