County Executive Report

Mr. Lamont McClure, County Executive, stated Mr. Charles Dertinger, Director of Administration, and Mr. David Ceraul, Assistant Solicitor, obtained permits from Upper Nazareth Township to begin construction on the new forensic center.

Mr. McClure advised on October 15, 2019, he sent a letter to Ms. Becky Bradley, Executive Director, Lehigh Valley Planning Commission (LVPC), regarding the LVPC FutureLV Final Draft. He further advised the first draft of the comprehensive plan indicated 500,000 square feet as the square footage that would signal a review of a warehouse or other logistic facilities. He noted in the County’s generated comments it was suggested 100,000 square feet and a compromise of 250,000 square feet was reached.

Mr. McClure stated LVPC Vice Chair Greg Zebrowski got into the plan a different trigger regarding reviews of smaller warehouse developments, including proposed usage more than a quarter mile from major roadways or located outside of the designated development areas.

Mr. McClure advised the rest of the letter covered some of the problems that were not adequately addressed, namely the County’s comments to the draft plan. He further advised County Council would have to decide when they receive the final draft of the plan whether they felt the notes were adequately addressed.

Mr. McClure stated as recently as this afternoon Ms. Bradley indicated they would be including the County’s notes and rewriting the final draft. He further stated what County Council was trying for the first time was to change the mindset of planning in the Lehigh Valley from being development first to being preservation first with a specific emphasis on farmland preservation.

In answer to Mr. Heckman’s question as to what was the main objection to not making it 100,000 square feet, Mr. McClure advised many people thought it was too far. He further advised Mr. Zebrowski made some serious concessions, noting for the first time there was actual criteria in the comprehensive plan for warehousing.

ARTICLE 2 - AUTHORIZATION OF DEBT

Section 2.01. Incurrence. The Local Government Unit does hereby authorize and direct the incurrence of nonelectoral debt in an amount not to exceed the aggregate principal amount of $75,000,000 for the purposes of the Project; such debt will be evidenced by the Bonds, to be issued, sold and delivered according to the provisions of this Debt Ordinance and the Debt Act, as general obligations of the Local Government Unit.

Section 2.02. Preparation of Debt Statement Exclusion of Indebtedness. The Designated Officers are hereby authorized and directed to prepare and verify under oath or affirmation, according to the requirements of Sections 8002 and 8110 of the Debt Act, the Debt Statement of the Local Government Unit, including therewith a certification of the Borrowing Base, and, if desired, any statements required by Chapter 81, Subchapter B of the Debt Act necessary to qualify all or any portion of this, or any prior outstanding, debt for exclusion from the appropriate debt limit as self-liquidating or subsidized debt; all previous actions of Designated Officers in this regard are hereby ratified and confirmed.

Section 2.03. Proceedings Before the Department. The Designated Officers are hereby further authorized and directed to prepare and file all proceedings of the Local Government Unit relative to this incurrence of debt with the Department of Community and Economic Development and to respond to all inquiries or requests and to perform all other actions necessary to enable the Department to certify its approval to issue, sell and deliver the Bonds.

Section 2.04. Stated Maturity Dates. The Local Government Unit hereby finds and determines that: (1) the Bonds are to be issued with: (a) a final stated maturity date which does not exceed the sooner to occur of forty years or the useful life of the Project; and (b) an initial stated installment or maturity of principal which has not been deferred beyond the later of two years from the date of issuance of the Bonds or of one year from the date of expected completion of the Project; (2) the stated maturities, or principal installments subject to mandatory redemption, of the Bonds have been fixed either: (a) so as to amortize the Bonds on at least an approximately level debt service plan during the period specified for the payment of principal under Section 8142(b) of the Debt Act; or (b) in the alternative, so that the debt service on outstanding debt of the Local Government Unit (being the Bonds, together with the other
outstanding debt of the Local Government Unit) will be brought more nearly into an over-all level annual debt service plan; and (3) the yields on the Bonds have been fixed so that no yield on any single maturity during the last two-thirds of the term of the Bonds is less than the yield of the maturity preceding it.

ARTICLE 3 - SECURITY FOR DEBT; SINKING FUND

Section 3.01. General Obligation Covenant. The Bonds will be general obligations of the Local Government Unit. The Local Government Unit hereby covenants with the owners from time to time of the Bonds to: (a) include the amount necessary to service the debt on the Bonds, for each fiscal year in which such sums are payable, in its budget for that year; (b) appropriate such amounts from its general revenues to the payment of the debt service; and (c) duly and punctually pay, or cause to be paid, from its Sinking Fund or from any other of its revenues or funds, the principal of and the interest on the Bonds at the dates and place and in the manner stated in the Bonds, according to the intent and meaning thereof.

For such budgeting, appropriation and payment of the Bonds, the Local Government Unit hereby irrevocably pledges its full faith, credit and taxing power. The maximum amounts of debt service hereby covenanted to be paid are set forth in Exhibit A, attached to this Debt Ordinance and incorporated by reference herein.

As provided in the Debt Act, the foregoing covenants are specifically enforceable. Notwithstanding the foregoing, nothing contained herein prohibits or restrains the authorization, issuance, sale or delivery of additional general obligation bonds or notes of the Local Government Unit on a parity with this Series of Bonds, upon adoption of an appropriate covenant to budget, appropriate and pay additional taxes and other revenues and funds for the payment and security of such additional obligations.

Section 3.02. Creation of Sinking Fund. The Local Government Unit does hereby orders to be created and established (in its name and identified by reference to the Series of Bonds), following the execution of the Purchase Proposal, a Sinking Fund (or Sinking Funds, as appropriate) for the payment
of the Bonds with the Sinking Fund Depository, and does further
coovenant to maintain such Sinking Fund until the Bonds are paid
in full. The Designated Officer is hereby authorized and
directed to contract with the Sinking Fund Depository for its
services in such capacity, when appropriate, together with its
services as Paying Agent and Registrar for the Bonds.

Section 3.03. Deposits into Sinking Fund. The Local
Government Unit covenants with the owners of the Bonds, and a
Designated Officer (according to the duties specified in Section
8223 of the Debt Act) is hereby authorized and directed, to
withdraw from the General Fund (or in the event debt service
charges have been capitalized, from any Project fund hereafter
established with the proceeds of the Bonds, as authorized in
Section 11.04) and to deposit into the Sinking Fund on or before
the appropriate Interest Payment Dates (or as and when otherwise
due by their terms or the terms of the Bond Insurance Policy, if
any, and in order to provide same-day, available funds for
timely payment), amounts sufficient to pay: (a) the interest on
the Bonds then outstanding; and (b) the principal of the Bonds
then maturing or subject to redemption on each such Interest
Payment Date as set forth in Section 3.01.

Section 3.04. Investment of Sinking Fund. All moneys in the
Sinking Fund not required for prompt expenditure may, in
accordance with written or telephonic (if subsequently confirmed
in writing according to the reasonable practices and requests of
the Sinking Fund Depository) instructions of a Designated
Officer, be invested in Authorized Investments.

Authorized investments must mature or must be subject to
redemption, withdrawal or collection in their full amount at the
option of the Sinking Fund Depository not later than the date
upon which moneys are required to be paid to owners of the
Bonds. All moneys in the Sinking Fund must be applied
exclusively to the payment of the Bonds as they become due and
payable. All moneys deposited into the Sinking Fund and all
investments and proceeds thereof will be subject to a perfected
security interest for the benefit of the owners of the Bonds.
Income received from any deposit or investment within the
Sinking Fund must remain within and be a part of the Sinking
Fund and all such amounts may be applied in reduction or
completion of any amount covenanted under Section 3.01 hereof to
be deposited therein; provided, however, that the obligation of
the Local Government Unit to pay the Bonds is, and will remain,
absolute, and may not be satisfied or reduced merely by the
deposit of moneys into the Sinking Fund or from the expectation of earnings thereon.

- END OF ARTICLE 3 -

ARTICLE 4 - TERMS AND PROVISIONS OF THE BONDS

Section 4.01. Dates, Maturity Amounts and Interest Rates. The Bonds will be identified by the Dated Date, will be dated as of the Authentication Dates, will bear (or accrue) interest not to exceed the rate(s) (or yield(s)), payable or compounded on the appropriate Interest Payment Dates, and will mature on the Maturity Dates (or be redeemed, mandatorily, on the appropriate Mandatory Redemption Dates, as provided in Section 4.03) and in such principal amounts as shall not exceed the principal amounts (or maturity amounts) set forth in Section 3.01.

Section 4.02. Optional Redemption. The Bonds scheduled to mature on a date after the Optional Redemption Date may be redeemed prior to maturity at the option of the Local Government Unit (a) in whole, on the Optional Redemption Date or on any date thereafter, or (b) in part, from time to time, on the Optional Redemption Date or on any date thereafter, by lot within a maturity, upon payment of the applicable Redemption Price. As more fully provided in Section 4.10, notice of redemption of Bonds, which may be conditional, shall be given by first class mail.

Section 4.03. Mandatory Redemption. Term Bonds (if any) shall be redeemed prior to maturity by the Sinking Fund Depository without further authorization on the appropriate Mandatory Redemption Dates and in the appropriate principal amounts set forth in Article I and in Section 3.01 hereof upon payment of the applicable Redemption Price.

Section 4.04. Book Entry System. The Bonds will be issued in denominations of $5,000 or any multiple thereof initially in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds will be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York (“DTC”). Initially, all of the Bonds will be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC requests that the Bonds be registered in the name of a different nominee, the Sinking Fund Depository must exchange all or any portion of the Bonds for an equal aggregate
principal amount of Bonds registered in the name of such nominee of DTC. No person other than DTC or its nominee is entitled to receive from the Local Government Unit or the Sinking Fund Depository either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee transfers record ownership of all or any portions of the Bonds on the Register (as such term defined in Section 4.08), in connection with discontinuing the book entry system.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds will be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance. Each such payment to DTC or its nominee will be valid and effective to discharge fully all liability of the Local Government Unit or the Sinking Fund Depository with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Sinking Fund Depository will not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of the partial redemption provided that DTC must deliver to the Sinking Fund Depository, upon request, a written confirmation of the partial redemption and thereafter the records maintained by the Sinking Fund Depository will be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

The Local Government Unit and the Sinking Fund Depository may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the Local Government Unit nor the Sinking Fund Depository will be affected by any notice to the contrary. Neither the Local Government Unit nor the Sinking Fund Depository will have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being Registered Owner, with respect to either (1) the Bonds; or (2) the accuracy of any record maintained by DTC or
any such participant; or (3) the payment by DTC or any participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Ordinance; or (5) the selection by DTC or any participant of any person to receive payment in the event of partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Ordinance will be given to DTC as provided in the blanket representation letter previously delivered to DTC.

In connection with any notice or other communication to be provided to Registered Owners pursuant to this Ordinance by the Local Government Unit or the Sinking Fund Depository with respect to any consent or other action to be taken by Registered Owners, DTC will consider the date of receipt of notice requesting such consent or other action as the record date for the consent or other action, provided that the Local Government Unit or the Sinking Fund Depository may establish a special record date for such consent or other action. The Local Government Unit or the Sinking Fund Depository must give DTC notice of the special record date not less than 10 days in advance of such special record date.

Any successor Sinking Fund Depository must, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the Local Government Unit and the Sinking Fund Depository, DTC determines to resign as securities Depository for the Bonds; or (2) after notice to DTC and the Sinking Fund Depository, the Local Government Unit determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the Local Government Unit. In either of such events (unless in the case described in clause (2) above, the Local Government Unit appoints a successor securities depository), the Bonds will be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Local Government Unit or the Sinking Fund Depository for the
accuracy of such designation. Whenever DTC requests the Local Government Unit and the Sinking Fund Depository to do so, the Local Government Unit and the Sinking Fund Depository must cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds. The Bonds will also carry CUSIP numbers as a convenience to owners.

Section 4.05. Interest Payments: Accrual. The Bonds will bear interest, payable in arrears, initially on the First Interest Payment Date and then on each Interest Payment Date subsequent for the respective preceding period; provided, further, that interest may be paid from an Interest Payment Date next preceding the date of a Bond except when the date of such Bond is a date to which interest has been so paid, then from the date of such Bond, or when either (1) the date of such Bonds is prior to the First Interest Payment Date, or (2) no interest has been paid, then from the Dated Date.

Section 4.06. Record Date Payments on Default. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date, Redemption Date or Maturity Date will be entitled to receive the amounts payable on such payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such payment date.

When, if and to the extent, the Local Government Unit defaults on the payment of any amount due, any moneys collected for such payment, as and when collected from time to time, may be paid to the persons in whose names Bonds are registered at the close of business on a Special Record Date established by the Sinking Fund Depository, notice of which must be mailed to all Registered Owners of Bonds not less than ten days prior to the Special Record Date.

Section 4.07. Funds for Payment. The Bonds will be payable at the offices of the Sinking Fund Depository in the coin or currency of the United States of America that is legal tender for the payment of public and private debts at the time and place of payment; provided, however, in the absence of written demand for such payment by the Registered Owner, received by the Sinking Fund Depository not later than the Record Date, all payments of interest on the Bonds will be made by check or draft drawn on the Sinking Fund Depository and mailed, first class, postage prepaid, to the owner at the address that appears in the Register, and payment of principal will be made in like manner,
following presentation at the offices of the Sinking Fund Depository.

Section 4.08. Registration and Transfer. The Local Government Unit shall cause to be kept with the Sinking Fund Depository, in its capacity as Registrar, a Register in which, subject to reasonable regulations, the Local Government Unit will provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond will be valid unless made at the offices of the Sinking Fund Depository and registered in the Register, subject, in all events, to the provisions of Section 4.04 hereof.

Upon surrender for registration of transfer of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository will authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same yield and maturity, and in the same principal amount, as the Bond so surrendered.

Any Bond will be exchangeable for other Bonds of the same yield and maturity, in any authorized denomination, in the same principal amount as the Bond or Bonds presented for exchange. Upon surrender for exchange of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository must authenticate and deliver in exchange therefor, the new Bond or Bonds which the Registered Owner making the exchange is entitled to receive.

All Bonds issued upon any registration of transfer or exchange will be valid obligations of the Local Government Unit, evidencing the same indebtedness and entitled to the same benefits under this Debt Ordinance as the Bonds surrendered for such registration of transfer or exchange. All Bonds so surrendered must be cancelled and may be destroyed by the Sinking Fund Depository.

Every Bond presented or surrendered for registration of transfer or exchange must be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the Local Government Unit and the Sinking Fund Depository, duly executed by the owner thereof or the duly authorized agent or legal representative of the owner.

No service charge will be imposed on any Registered Owner for any transfer or exchange of any Bond, but the Local Government Unit may require payment of a sum sufficient to cover
any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Local Government Unit, nor the Sinking Fund Depository, will be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

The Bonds will be initially registered in accordance with instructions submitted to the Sinking Fund Depository by the Purchaser.

Section 4.09. Execution and Authentication. The Bonds will be executed on behalf of the Local Government Unit by the Designated Officers, and will have a facsimile of the corporate seal of the Local Government Unit affixed thereto, duly attested. The Bonds will be authenticated by the manual execution of the Certificate of Authentication by a duly authorized officer of the Sinking Fund Depository.

No Bond will be valid until the Certificate of Authentication has been duly executed and such authentication will be the conclusive and only proof that any Bond has been issued pursuant to, and is entitled to any benefits conferred under, the provisions of this Debt Ordinance. To the extent that any one signature on a Bond (including the signature of the officer of the Sinking Fund Depository) is manual, all other signatures may be by facsimile.

Section 4.10. Notices, Selection of Bonds for Redemption. Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the applicable redemption date, to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register on the fifth business day preceding the date selected for the mailing of such notice and to the Rating Agency, and the Insurer, if any. Neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the Local Government Unit shall have duly given notice of redemption and shall have deposited funds for the payment of the Redemption Price of the Bonds with the Sinking Fund Depository, interest on such Bonds shall cease to accrue after such redemption date.
Notices of redemption shall be dated and shall state: (a) the redemption date; (b) the Redemption Price; (c) if less than all outstanding Bonds are to be redeemed, the identification numbers and the respective maturity amounts of the Bonds to be redeemed; (d) the applicable CUSIP numbers of the Bonds called for redemption (if then generally in use, but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds); (e) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (f) that such Bonds are to be surrendered for payment at the designated corporate trust office of the Sinking Fund Depository. Additionally, notices of optional redemption may state that the redemption is conditioned upon the deposit with the Sinking Fund Depository, by the Local Government Unit, of funds sufficient to pay the Redemption Price on the Redemption Date.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Sinking Fund Depository shall select by lot the Bonds to be redeemed at such time.

Any portion of any Bond of a denomination larger than $5,000 may be redeemed, but only in the principal amount of $5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Sinking Fund Depository shall assign numbers to each $5,000 portion of any Bond of a denomination larger than $5,000 and shall treat each portion as a separate Bond in the denomination of $5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Sinking Fund Depository shall authenticate and deliver to the owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the owner in a principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.11. Temporary Bonds. Until bonds in definitive form are ready for delivery, the Local Government Unit may execute, and upon request the Sinking Fund Depository must authenticate and deliver, in lieu thereof and subject to the same provisions, limitations and conditions, one or more printed, lithographed or typewritten bonds in temporary form, substantially in the form described in Section 4.13, and with appropriate omissions, variations and insertions. Until
exchanged for bonds in definitive form, such bonds in temporary form will be valid obligations entitled to the benefit of this Debt Ordinance. The Local Government Unit must, without unreasonable delay, prepare, execute and deliver to the Sinking Fund Depository, and thereupon, upon the presentation and surrender of any bond or bonds in temporary form, the Sinking Fund Depository shall authenticate and deliver, in exchange therefor, a bond or bonds in definitive form of the same maturity for the same aggregate maturity amount as the bond or bonds in temporary form surrendered. Such exchange will be made by the Local Government Unit at its own expense and without making any charge therefor.

Section 4.12. Bonds Lost or Destroyed. Upon receipt by the Local Government Unit and the Sinking Fund Depository of evidence satisfactory to both of them that any outstanding Bond has been mutilated, destroyed, lost or stolen, and of indemnity satisfactory to both of them, the Local Government Unit may, in its discretion, execute and thereupon the Sinking Fund Depository must authenticate and deliver a new Bond of the same maturity and of like tenor in exchange and substitution for, and upon surrender and cancellation of, the mutilated Bond, or in lieu of and in substitution for the Bond so destroyed, lost or stolen.

The Local Government Unit may, for each new Bond authenticated and delivered under the provisions of this Section, require the payment of expenses, including counsel fees. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be destroyed, lost or stolen, will constitute an original additional and independent contractual obligation on the part of the Local Government Unit whether or not the Bond so alleged to be destroyed, lost or stolen is at any time enforceable by anyone, and will be equally and proportionately entitled to the benefits of this Debt Ordinance with all other Bonds issued hereunder and all limitations and debt limits imposed by the Debt Act will be increased to the extent necessary to validate such new Bonds.

Section 4.13. Form of the Bonds. The Bonds will be substantially in the following form(s):

ARTICLE 5 - CONCERNING THE SINKING FUND DEPOSITORY

Section 5.01. Maintenance of Sinking Fund. The Sinking Fund Depository will maintain the Sinking Fund as a separate account, and will, without further authorization other than as herein contained, pay, from moneys therein, the principal of, interest on and premium, if any, on the Bonds, as and when due, to the Registered Owners thereof.

Section 5.02. Unclaimed Funds. The Sinking Fund Depository will return to the Local Government Unit all moneys deposited and held in a Sinking Fund for the payment of Bonds which have not been claimed by the Registered Owners after two years from the date when payment is due, except where such funds are held for the payment of outstanding checks, drafts or other instruments of the Sinking Fund Depository. Nothing in this Section or by reason of any action taken hereunder will relieve the Local Government Unit of its liability for payment to the Registered Owners of unpresented Bonds.

Section 5.03. Registration Agents. In the event the Bonds are qualified by the Purchaser, or are otherwise determined to be eligible, for the deposit, book-entry, withdrawal and other related services of The Depository Trust Company (or another or additional recognized bond registration agent performing similar services), the Sinking Fund Depository must undertake and perform those additional duties which may be required of it in order to enable The Depository Trust Company (or other similar agent) to perform such services for its Participants, including the processing of transfers of registration within necessary time periods, the payment of Bonds by acceptable fund transfers and the delivery of adequate redemption and other payment notices.

Section 5.04. Liability of Sinking Fund Depository. The Sinking Fund Depository may exercise any of the powers or perform any duty hereunder by or through attorneys, agents, receivers or employees, and it will not be answerable or accountable for any act, default, neglect or misconduct of any such attorney, agent, receiver or employee, if reasonable care has been exercised in the appointment and retention of such person, nor shall the Sinking Fund Depository be otherwise answerable or accountable under any circumstances whatever in connection with such powers or duties, except for its own gross negligence or willful misconduct. The Sinking Fund Depository will be protected and will incur no liability in relying, acting or proceeding in good faith upon any notice, request, order,
certificate, report, opinion, statement, affidavit, voucher, or other paper or document believed by it to be genuine and to have been signed, passed or presented by the proper person, nor be bound to make any investigation into the matters stated therein. However, the Sinking Fund Depository may, at any time in its discretion, require of the Local Government Unit full information and advice as to the above as well as to the performance of any of the covenants, conditions and agreements in this Debt Ordinance and may further make or cause to be made independent investigations, at the expense of the Local Government Unit, concerning its affairs. The Sinking Fund Depository may consult with legal counsel to be selected and employed by it and the opinion of such counsel will be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Sinking Fund Depository shall not have any liability under, nor duty to inquire into the terms and provisions of any agreement or instructions, other than as outlined in this Debt Ordinance. The Sinking Fund Depository shall have no duty to solicit any payments that may be due it hereunder. The Local Government Unit covenants and agrees to indemnify and hold the Sinking Fund Depository and its directors, officers, agents and employees (collectively, the “Indemnities”) harmless from and against any and all liabilities, losses, damages, fines, suits, actions, demands, penalties, costs and expenses, including out-of-pocket, incidental expenses, legal fees and expenses, the allocated costs and expenses of in-house counsel and legal staff and the costs and expenses of defending or preparing to defend against any claim (“Losses”) that may be imposed on, incurred by, or asserted against, the Indemnities or any of them for following any instruction or other direction upon which the Sinking Fund Depository is authorized to rely pursuant to the terms of this Debt Ordinance. In addition to and not in limitation of the immediately preceding sentence, the Local Government Unit also covenants and agrees to indemnify and hold the Indemnities and each of them harmless from and against any and all Losses that may be imposed on, incurred by, or asserted against the Indemnities or any of them in connection with or arising out of the Sinking Fund Depository’s performance under this Debt Ordinance provided the Sinking Fund Depository has not acted with negligence or engaged in willful misconduct. The provisions of this Section 5.04 shall survive the termination of the maturity or defeasance of the Bonds the resignation or removal of the Sinking Fund Depository for any reason. Anything herein to the contrary notwithstanding, in no event shall the Sinking Fund Depository be liable for special, indirect or
consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Sinking Fund Depository has been advised of such loss or damage and regardless of the form of action.

Section 5.05. Ownership of Bonds. The Sinking Fund Depository, in its individual capacity or as a fiduciary, may become the owner of Bonds, with the same rights it would have if it were not the Sinking Fund Depository. The Sinking Fund Depository may also engage in, or be interested in, any financial or other transaction with the Local Government Unit not in derogation of the rights of the Registered Owners of the Bonds.

Section 5.06. Interpretation. The Sinking Fund Depository may construe any of the provisions of this Debt Ordinance insofar as it may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Sinking Fund Depository in good faith will be binding upon the Registered Owners of the Bonds.

Section 5.07. Fees and Expenses. The Sinking Fund Depository will be paid such initial and periodic fees for its services and reimbursed for such expenses, as are specified in those proposals and other communications made to and received by the Local Government Unit in connection with the Bonds, if any, or, in all events, according to its usual, customary and reasonable schedule of fees and other charges.

Section 5.08. Removal: Resignation; Merger. The Sinking Fund Depository will serve in such capacity at the will of the Local Government Unit and may be removed, at any time, with or without cause, by the appointment of a qualified successor and upon sixty (60) days written notice to the Registered Owners of the Bonds and to the Sinking Fund Depository. Moreover, but if, and only in the event that, the payment of the Bonds has been insured to the Registered Owners thereof by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository and any successor must be, and remain at all times, acceptable to the Insurer, who will be empowered to request the appointment of a successor for cause shown. The Sinking Fund Depository may at any time resign and be discharged of the trust hereby created by giving not less than sixty (60) days written notice to the Local Government Unit and the Registered Owners, specifying the date when the resignation will take effect, in the manner required for bond redemption notices in Section 4.10 hereof, and such resignation shall take effect upon the day
specified in such notice, unless previously a successor Sinking Fund Depository has been appointed by the Local Government Unit as hereinbefore provided, in which event the resignation will take effect immediately on the appointment of the successor. Any corporation or association into which the Sinking Fund Depository in its individual capacity may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Sinking Fund Depository in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Sinking Fund Depository in its individual capacity may be sold or otherwise transferred, shall be the Sinking Fund Depository under this Debt Ordinance without further act.

Section 5.09. Duties upon Default. If the Local Government Unit fails or refuses to make any required deposit in the Sinking Fund, the Sinking Fund Depository shall (a) independent of events and actions of Registered Owners, any trustee or any court or administrative or judicial officer undertaken or occurring pursuant to the provisions of Article 6 hereof: (1) notify the Department of Community and Economic Development of the failure or refusal, in order to facilitate an inspection of the Sinking Fund by the Department pursuant to Section 8226 of the Debt Act; and (2) notify the Insurer, if any; and (b) in conjunction with such events and actions under Article 6 hereof, may, and upon request of the Registered Owners of twenty-five percent (25%) in principal amount of outstanding Bonds and upon being indemnified against cost and expense must, exercise any remedy, provided in Article 6 of this Debt Ordinance, in the Debt Act or at law or in equity, for the equal and ratable benefit of the Registered Owners of the outstanding Bonds, and must disburse all funds so collected equally and ratably to the Registered Owners thereof pursuant to the requirements of Subchapter D of Chapter 82 of the Debt Act.

Notwithstanding the foregoing, however, if, and only in the event, the payment of the Bonds has been insured to the Registered Owners by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository will diligently seek recovery of funds for the payment of the Bonds from the Insurer according to the terms of the Bond Insurance Policy and, in the event the terms of the Bond Insurance Policy are being fully met and satisfied by the Insurer, then the Sinking Fund Depository may undertake the remedies provided in
subparagraph (b) of this Section 5.09 only after notice to, and
with the consent of, the Insurer.

- END OF ARTICLE 5 -

ARTICLE 6 - DEFAULTS AND REMEDIES

Section 6.01. Failure to Budget Debt Service. Subject to
the provisions of Section 6.06, if applicable, if the Local
Government Unit fails or refuses to make adequate provision in
its budget for any fiscal year for the sums payable in respect
of the Bonds, then at the suit of the Registered Owner of any
Bond, the Court of Common Pleas of the Local Government Unit
shall after a hearing held upon such notice to the Local
Government Unit as the Court may direct, and upon a finding of
such failure or neglect, by writ of mandamus, require the
Designated Officer to pay into the Sinking Fund the first tax

deposit in the Sinking Fund is equal to the moneys that should
have been budgeted or appropriated for the Bonds.

Section 6.02. Failure to Pay Principal or Interest. Subject
to the provisions of Section 6.06, if applicable, if the Local
Government Unit fails or neglects to pay or cause to be paid the

Owner thereof shall, subject to any appropriate priorities
created under the Debt Act, have the right to recover the amount
due in an action in assumpsit in the Court of Common Pleas of
the county in which the Local Government Unit is located (or, if
located in more than one county, then of either). The judgment
recovered will have an appropriate priority upon the moneys next
coming into the treasury of the Local Government Unit.

Section 6.03. Trustee for Registered Owners.

(a) Subject to the provisions of Section 6.06, if
applicable, but notwithstanding any other provision in this
Debt Ordinance, if the Local Government Unit defaults in
the payment of the principal of or the interest on the
Bonds after the same shall become due, and such default
shall continue for thirty (30) days, or if the Local
Government Unit fails to comply with any provision of the
Bonds or this Debt Ordinance, the Registered Owners of
twenty-five percent in aggregate principal amount of the Bonds then outstanding, by an instrument or instruments filed in the office for the recorder of deeds in the county in which the Local Government Unit is located, signed and acknowledged in the same manner as a deed to be recorded, may appoint a trustee, who may be the Sinking Fund Depository, to represent the Registered Owners of all such bonds or notes, and such representation shall be exclusive for the purposes herein provided.

Any assessment levied pursuant hereto will have the same priority and preference, as against other liens or mortgages on the real estate or security interests in fixtures thereon or other property, as a lien for unpaid taxes;
(4) By suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds:

(5) After thirty (30) days prior written notice to the Local Government Unit, declare the unpaid principal of all the Bonds to be, and it will thereby become, forthwith due and payable with interest at the rates stated in the Bonds until final payment (and, if all defaults are made good, then to annul such declaration and its consequences).

(c) If the Sinking Fund Depository is willing to serve and exercise the powers conferred upon a trustee appointed by this Section 6.03, no trustee appointed in the manner provided in this Section will have the powers herein set forth unless the appointment under this Section was executed by or pursuant to the authority of the Registered Owners of a principal amount of such Bonds sufficient to remove the originally appointed trustee.

(d) Proof of ownership of Bonds and of execution of instruments relative thereto must be made according to the provisions of Section 8114 of the Debt Act.

Section 6.04. Costs of Suits or Proceedings. In any suit, action or proceeding by or on behalf of the Registered Owners of defaulted Bonds, the fees and expenses of a trustee or receiver, including operating costs of a project and reasonable counsel fees, will constitute taxable costs, and all such costs and disbursements allowed by the court will be deemed additional principal due on the Bonds, and will be paid in full from any recovery prior to any distribution to the Registered Owners of the Bonds.

Section 6.05. Distribution of Moneys Realized for Registered Owners. Moneys or funds collected for the Registered Owners of defaulted Bonds will, after the payment of costs and fees as provided in Section 6.04, be applied by the trustee or receiver as follows:

(a) Unless the principal of all the Bonds has become or has been declared due and payable, (i) to the payment to the Registered Owners entitled thereto of all installments of interest then due in the order of their respective due dates and, if the amount available is not sufficient to pay any installment in full, then to the payment ratably
according to the amounts due on such installment, to the Registered Owners entitled thereto, without any discrimination or preference; and (ii) to the payment to the Registered Owners entitled thereto of the unpaid principal of any Bonds which has become due, whether at stated Maturity Dates or by call for redemption, in the order of their respective due dates, and if the amount available is not sufficient to pay in full all the Bonds due on any date, then to the payment ratably, according to the amounts of principal due on such dates, to the Registered Owners entitled thereto without any discrimination or preference.

(b) If the principal of all the Bonds has become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest, to the Registered Owners entitled thereto without any discrimination or preference.

Section 6.06. Bond Insurance Policy: Procedure for Payment Thereunder. Payment of the Bonds may be insured to the Registered Owners by a Bond Insurance Policy hereby authorized, to be purchased upon the issuance and delivery of the Bonds.

If a Bond Insurance Policy is purchased to insure the Bonds, no provisions of this Debt Ordinance, the Debt Act or otherwise arising at law or in equity for the enforcement of claims by Registered Owners for the payment of either principal or interest in respect of the Bonds will be effectuated without the consent of the Insurer, so long as the terms of the Bond Insurance Policy are being fully met and satisfied.

In the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, all covenants, agreements and other obligations of the Local Government Unit to the Registered Owners of the Bonds under this Debt Ordinance and under the Debt Act, shall continue to exist and will run to the benefit of the Insurer, who will be subrogated to the rights of such Registered Owners. Accordingly, the Sinking Fund Depository must abide and follow all instructions of the Insurer for the prompt payment of the principal of and/or interest due on the Bonds to the Registered
Owners, including provision of the Register to the Insurer, processing of checks or other remittances on behalf of the insurer, collection of Bonds and notation of the Insurer's interest as subrogee within its records and on its books.

The Local Government Unit may, from time to time and at any time, enact, execute, file with the Department and deliver to the Sinking Fund Depository, who must accept the same, debt ordinances amending, modifying or supplemental hereto that are not inconsistent with the terms and provisions hereof and which do not adversely affect the rights of the Registered Owners of the Bonds (which modifying or supplemental debt ordinances will thereafter form a part hereof) for the following purposes:

(a) to cure any ambiguity, formal defect or omission in this Debt Ordinance;

(b) to grant or confer upon the Sinking Fund Depository for the benefit of the Registered Owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred thereupon;

any of the provisions of this Debt Ordinance or of modifying in any manner the rights of the Registered Owners of the Bonds; provided, however, that no such modifying or supplemental debt ordinance shall: (i) extend the fixed maturity date of any Bond, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or reduce any premium payable upon the redemption thereof, without the consent of the Registered Owner of each Bond so affected; or (ii) reduce the aforesaid percentage of Bonds, the Registered Owners of which are required to consent to any such modification or supplement, without the consent of the Registered Owners of all Bonds then outstanding. The consent of the Registered Owners for the particular form of any proposed modification or supplement is not necessary, if the consent approves the substance thereof.

Section 7.03. Acceptance of Amendment. The Sinking Fund Depository shall accept any amending, modifying or supplemental debt ordinance which the Local Government Unit is authorized to execute hereunder upon delivery of the following:

(a) The amending, modifying or supplemental debt ordinance, duly executed with proof of filing with the Department; and

(b) An opinion of Bond Counsel to the effect that such amending, modifying or supplemental debt ordinance was properly enacted, executed, and delivered pursuant to: (i) the provisions of Section 7.01 hereof; or (ii) the provisions of Section 7.02 hereof and that the consent of the Registered Owners of the Bonds required hereunder has been secured, and that, in all events, the enactment, execution and delivery of such debt ordinance complies with all applicable requirements of law, including the Debt Act.

Section 7.04. Effect of Amendment. Upon the execution of any amending, modifying or supplemental debt ordinance pursuant to the provisions of this Article, this Debt Ordinance will be and be deemed to be amended, modified and supplemented in accordance therewith, and the respective rights, limitation of rights, obligations, duties and immunities of parties hereunder will thereafter be determined, exercised and enforced hereunder subject in all respects to the amendments, modifications and supplements, and all the terms and conditions of any such debt ordinance will be and be deemed to be part of the terms and conditions of this Debt Ordinance for any and all purposes.
Section 7.05. Notice of Amendment. Written notice, including a summary description, of any amending, modifying or supplemental debt ordinance once effectuated will be confirmed promptly to all Registered Owners, and will be given to the Rating Agency and the Insurer, if any, by first class mail, postage prepaid.

Section 8.01. If the Local Government Unit pays or causes to be paid unto the Registered Owners the principal of, the interest on and the premium, if any, on the Bonds, at the times and in the manner stipulated therein, then this Debt Ordinance and the estate and rights hereby granted will cease, determine and be void; and thereupon the Sinking Fund Depository will release, cancel and discharge the lien and obligations of this Debt Ordinance and deliver to the Local Government Unit any funds or documents at the time subject to the lien of this Debt Ordinance which may then be in its possession; provided, however, that until such time as full and complete payment is so made, this Debt Ordinance will be and remain in full force and effect.

Bonds, for the payment or redemption of which cash and/or securities which upon maturity will yield funds in the full amount required therefor shall have been deposited with the Sinking Fund Depository, whether upon or prior to the Maturity Date or the Redemption Date of such Bonds, will be deemed to be paid within the meaning of this Article, provided, however, that if such Bonds are to be redeemed prior to the Maturity Date(s) thereof, notice of the redemption must have been duly given or adequate provision made thereof.

In the event a Bond Insurance Policy is acquired in connection with the Bonds and in the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, the Bonds will remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Local Government Unit, until full, proper and complete payment and reimbursement is made to the Insurer by the Local Government Unit pursuant to the Bond Insurance Policy.

Public Hearing

Mr. Heckman asked if there were any questions or comments from the public.

There were no respondents.

Mr. Heckman made a motion to amend the ordinance as follows:

1. the not-to-exceed amount of $75,000,000 was added on the cover page, page 5 and page 10 (the not-to-exceed schedules were received from PFM last night at 8:00 p.m. and have to be attached to the Ordinance as Exhibit A);
2. the identity of the Purchaser, Janney Montgomery Scott, was added on page 8 (the Purchaser was selected by the County on October 9th);

3. the address of the paying agent/sinking fund depository, U.S. Bank, was changed on pages 8 and 22 (from the paying agent’s Pittsburgh Office to its Philadelphia Office); and

4. the interest payment dates and record date were added to the Form of Bonds on pages 22 and 23 (based upon the not-to-exceed schedule received from PFM last night).

Ms. Zrinski seconded the motion.

Mr. Heckman asked if there were any questions or comments from the public regarding these amendments.

There were no respondents.

Mr. Cusick advised this was originally a $111 million debt that was paid down to $62 million so he asked for an explanation as to why the proposal was not-to-exceed $75 million.

Mr. Scott Shearer, Managing Director, PFM Financial Advisors, LLC, stated the outstanding balance was approximately $61 million, but they expect the actual size of the issue to be approximately $76-$78 million. He further stated the reason for the difference was they had to issue the new debt and put that money aside in escrow until the 2022 call date of the old bonds to make sure there was sufficient money to pay the interest component of the current bonds during that time period.

Mr. Shearer advised the difference between the parameter amount and the actual issuance was usually around 20% so for this issuance it would be $12+ million, but they lowered it to $75 million. He further advised the County would not be issuing $75 million and the only permitted purpose of the refinancing was for the refunding components.

Mr. Shearer stated the paperwork filed with State after the adoption of this ordinance would show the maximum parameters then after the closing Mr. Anthony Ditka, Office Managing Partner for Dinsmore, would provide additional documentation to indicate the parameters was $75 million, but only $67 million was used so the balance should be eliminated. He further stated
the point of it was for all the paperwork to go through the State to get approved so they did not have to come back for any additional votes.

Mr. Ditka advised when he did the filing there would be the not-to-exceed amount and the schedules that were in the ordinance. He further advised the bonds were sold in serial maturity so every maturity had a number next to it with a principal amount.

Mr. Ditka stated if the bonds were sold and they were still under the $75 million, but one of the individual years was exceeded they would have to start over. He further stated they built that box exceedingly big to make sure there was a cushion in each of these numbers.

Mr. Ditka advised the protection for the County that they were not going to over bond was in Section 11.1 of the ordinance that indicated they could only move forward if they had a purchase proposal that met a savings target of 3% and they could not meet that target if they over issued.

Mr. Ditka stated it was not intended to allow the County to borrow more than it needed, but to give the structuring the flexibility to fit within the box. He further stated the reason they did this instead of having the bonds sold today was to allow PFM to go to market at the best possible time.

In response to Mr. Cusick’s statement that they could potentially borrow $75 million when the County only required $61 million, Mr. Ditka advised if they did that, the County would not be able to save 3% of the total debt service savings.

In answer to Mr. Cusick’s comment that it did not reflect 3% in Section 11.1, Mr. Barron stated it should have been reflected and there was no objection to County Council making that amendment.

Mr. Ditka advised he was selected as the bond counsel a few days prior to the first reading of the ordinance on October 3, 2019 so the ordinance was put out before the investment banker had been selected; therefore, some of this information was not known, but had since been established.
Mr. Shearer provided a document regarding the refinancing of the 2012B Bond (see Attachment #1). He stated Page 4, Column 4, indicated the total principal and interest was $83.7 million and the total principal was $60.8 million.

Mr. Shearer advised Page 5 showed the breakdown of the 2012B bonds. He noted Column 2 was the total principal amounts, Column 3 was the interest rates and then the debt service related to that in Columns 5 and 6. He further advised after the transaction closed they would be putting 98% of the proceeds in the escrow account (reflected on Page 6) to make sure there was sufficient money to pay the principal payments and to pay the interest to the bond holders.

Mr. Shearer stated Column 6 was the hypothetical amount of the securities that they were going to find to fund this escrow. He further stated it was going to earn interest based off coupon interest rates reflected in Column 7.

Mr. Shearer advised the County was going to earn approximately $2.4 million (reflected in Column 8) and produce a cash flow of approximately $69.1 million (reflected in Column 9). He further stated the total of Column 9 closely matched the total in Column 5, which were the requirements they had to make sure were substantial.

Mr. Shearer stated taking into account the amount of money they needed to put into the escrow and the amount of interest earnings that were going to be generated in the escrow the new bond issue (reflected on Page 7) was going to look closer to $67 million. He further stated the reason they were able to fund $67 million while still achieving a savings was due to the lower interest rate.

In response to Mr. Werner’s question as to whether it could be above the $75 million, Mr. Ditka advised if the bonds being sold went outside the parameters of the approval they would have to start over.

In answer to Mr. Dietz’s question as to whether the County would be paying on the new and old bonds, Mr. Shearer stated the County would be making payments on the new bonds while the escrow was making payments on the old bonds. He further stated legally the 2012B bonds would be off of the County’s books because there were going to be securities purchased that would deem those bonds defeased.
In response to Mr. Deitz’s question as to whether the 3% would include all the costs, Mr. Shearer advised after all the costs were paid the County still had to net 3% or more.

In answer to Mr. Cusick’s question as to why there was a maximum rate of 5.5% when the current rate was 5%, Mr. Shearer stated a lot of investors want 5% coupons and so that was why they had the maximum rate at 5% or 5.5% parameters.

Mr. Cusick advised the coupons for the new bonds would begin at 1.972% next year and then it gradually increased to 2.63% so he wanted to know why that was not level.

Mr. Shearer stated it was fairly flat right now because of the shape of the yield curve. He further stated the normal shape of the yield curve was much more sloping.

Mr. Shearer advised these were traditional fixed rate bonds, but they were going to be different for each year and have them slightly ascending was basically to resolve what the yield curve looked like today.

In response to Mr. Cusick’s question as to whether they were going to bid them as fixed rate bonds, Mr. Shearer stated each maturity had a fixed rate.

Mr. Ditka advised it looked at one issue from the County’s perspective, but each of these maturities may be brought by a different investor and so the longer they were lending the County the money the longer term they want.

As there were no further questions or comments, Mr. Heckman called for the vote on the motion.

The motion was passed by a vote of 7-0.

Ms. Zrinski made a motion to amend page 44 under Section 11.01 Award to Purchaser (i) to read as follows: “produce net present value debt service savings of 3%...

Mr. Werner seconded the motion.

As there were no questions or comments, Mr. Heckman called for the vote on the motion.
The vote: Zrinski, "yes"; Werner, "yes"; Cusick, "yes"; Dietz, "yes"; Ferraro, "yes"; Heckman, "yes" and Lott, "yes".

The motion passed by a vote of 7-0.

Mr. Heckman called for the vote on the amended ordinance:

ARTICLE 2 - AUTHORIZATION OF DEBT

Section 2.01. Incurrence. The Local Government Unit does hereby authorize and direct the incurrence of nonelectoral debt in an amount not to exceed the aggregate principal amount of $75,000,000 for the purposes of the Project; such debt will be evidenced by the Bonds, to be issued, sold and delivered according to the provisions of this Debt Ordinance and the Debt Act, as general obligations of the Local Government Unit.

Section 2.02. Preparation of Debt Statement Exclusion of Indebtedness. The Designated Officers are hereby authorized and directed to prepare and verify under oath or affirmation,
according to the requirements of Sections 8002 and 8110 of the Debt Act, the Debt Statement of the Local Government Unit, including therewith a certification of the Borrowing Base, and, if desired, any statements required by Chapter 81, Subchapter B of the Debt Act necessary to qualify all or any portion of this, or any prior outstanding, debt for exclusion from the appropriate debt limit as self-liquidating or subsidized debt; all previous actions of Designated Officers in this regard are hereby ratified and confirmed.

Section 2.03. Proceedings Before the Department. The Designated Officers are hereby further authorized and directed to prepare and file all proceedings of the Local Government Unit relative to this incurrence of debt with the Department of Community and Economic Development and to respond to all inquiries or requests and to perform all other actions necessary to enable the Department to certify its approval to issue, sell and deliver the Bonds.

Section 2.04. Stated Maturity Dates. The Local Government Unit hereby finds and determines that: (1) the Bonds are to be issued with: (a) a final stated maturity date which does not exceed the sooner to occur of forty years or the useful life of the Project; and (b) an initial stated installment or maturity of principal which has not been deferred beyond the later of two years from the date of issuance of the Bonds or of one year from the date of expected completion of the Project; (2) the stated maturities, or principal installments subject to mandatory redemption, of the Bonds have been fixed either: (a) so as to amortize the Bonds on at least an approximately level debt service plan during the period specified for the payment of principal under Section 8142(b) of the Debt Act; or (b) in the alternative, so that the debt service on outstanding debt of the Local Government Unit (being the Bonds, together with the other outstanding debt of the Local Government Unit) will be brought more nearly into an over-all level annual debt service plan; and (3) the yields on the Bonds have been fixed so that no yield on any single maturity during the last two-thirds of the term of the Bonds is less than the yield of the maturity preceding it.

- END OF ARTICLE 2 -
ARTICLE 3 - SECURITY FOR DEBT; SINKING FUND

Section 3.01. General Obligation Covenant. The Bonds will be general obligations of the Local Government Unit. The Local Government Unit hereby covenants with the owners from time to time of the Bonds to: (a) include the amount necessary to service the debt on the Bonds, for each fiscal year in which such sums are payable, in its budget for that year; (b) appropriate such amounts from its general revenues to the payment of the debt service; and (c) duly and punctually pay, or cause to be paid, from its Sinking Fund or from any other of its revenues or funds, the principal of and the interest on the Bonds at the dates and place and in the manner stated in the Bonds, according to the intent and meaning thereof.

For such budgeting, appropriation and payment of the Bonds, the Local Government Unit hereby irrevocably pledges its full faith, credit and taxing power. The maximum amounts of debt service hereby covenanted to be paid are set forth in Exhibit A, attached to this Debt Ordinance and incorporated by reference herein.

As provided in the Debt Act, the foregoing covenants are specifically enforceable. Notwithstanding the foregoing, nothing contained herein prohibits or restrains the authorization, issuance, sale or delivery of additional general obligation bonds or notes of the Local Government Unit on a parity with this Series of Bonds, upon adoption of an appropriate covenant to budget, appropriate and pay additional taxes and other revenues and funds for the payment and security of such additional obligations.

Section 3.02. Creation of Sinking Fund. The Local Government Unit does hereby orders to be created and established (in its name and identified by reference to the Series of Bonds), following the execution of the Purchase Proposal, a Sinking Fund (or Sinking Funds, as appropriate) for the payment of the Bonds with the Sinking Fund Depository, and does further covenant to maintain such Sinking Fund until the Bonds are paid in full. The Designated Officer is hereby authorized and directed to contract with the Sinking Fund Depository for its services in such capacity, when appropriate, together with its services as Paying Agent and Registrar for the Bonds.

Section 3.03. Deposits into Sinking Fund. The Local Government Unit covenants with the owners of the Bonds, and a Designated Officer (according to the duties specified in Section
8223 of the Debt Act) is hereby authorized and directed, to withdraw from the General Fund (or in the event debt service charges have been capitalized, from any Project Fund hereafter established with the proceeds of the Bonds, as authorized in Section 11.04) and to deposit into the Sinking Fund on or before the appropriate Interest Payment Dates (or as and when otherwise due by their terms or the terms of the Bond Insurance Policy, if any, and in order to provide same-day, available funds for timely payment), amounts sufficient to pay: (a) the interest on the Bonds then outstanding; and (b) the principal of the Bonds then maturing or subject to redemption on each such Interest Payment Date as set forth in Section 3.01.

Section 3.04. Investment of Sinking Fund. All moneys in the Sinking Fund not required for prompt expenditure may, in accordance with written or telephonic (if subsequently confirmed in writing according to the reasonable practices and requests of the Sinking Fund Depository) instructions of a Designated Officer, be invested in Authorized Investments.

Authorized investments must mature or must be subject to redemption, withdrawal or collection in their full amount at the option of the Sinking Fund Depository not later than the date upon which moneys are required to be paid to owners of the Bonds. All moneys in the Sinking Fund must be applied exclusively to the payment of the Bonds as they become due and payable. All moneys deposited into the Sinking Fund and all investments and proceeds thereof will be subject to a perfected security interest for the benefit of the owners of the Bonds. Income received from any deposit or investment within the Sinking Fund must remain within and be a part of the Sinking Fund and all such amounts may be applied in reduction or completion of any amount covenanted under Section 3.01 hereof to be deposited therein; provided, however, that the obligation of the Local Government Unit to pay the Bonds is, and will remain, absolute, and may not be satisfied or reduced merely by the deposit of moneys into the Sinking Fund or from the expectation of earnings thereon.

- END OF ARTICLE 3 -
ARTICLE 4 - TERMS AND PROVISIONS OF THE BONDS

Section 4.01. Dates, Maturity Amounts and Interest Rates. The Bonds will be identified by the Dated Date, will be dated as of the Authentication Dates, will bear (or accrue) interest not to exceed the rate(s) (or yield(s)), payable or compounded on the appropriate Interest Payment Dates, and will mature on the Maturity Dates (or be redeemed, mandatorily, on the appropriate Mandatory Redemption Dates, as provided in Section 4.03) and in such principal amounts as shall not exceed the principal amounts (or maturity amounts) set forth in Section 3.01.

Section 4.02. Optional Redemption. The Bonds scheduled to mature on a date after the Optional Redemption Date may be redeemed prior to maturity at the option of the Local Government Unit (a) in whole, on the Optional Redemption Date or on any date thereafter, or (b) in part, from time to time, on the Optional Redemption Date or on any date thereafter, by lot within a maturity, upon payment of the applicable Redemption Price. As more fully provided in Section 4.10, notice of redemption of Bonds, which may be conditional, shall be given by first class mail.

Section 4.03. Mandatory Redemption. Term Bonds (if any) shall be redeemed prior to maturity by the Sinking Fund Depository without further authorization on the appropriate Mandatory Redemption Dates and in the appropriate principal amounts set forth in Article I and in Section 3.01 hereof upon payment of the applicable Redemption Price.

Section 4.04. Book Entry System. The Bonds will be issued in denominations of $5,000 or any multiple thereof initially in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds will be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"). Initially, all of the Bonds will be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC requests that the Bonds be registered in the name of a different nominee, the Sinking Fund Depository must exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee of DTC. No person other than DTC or its nominee is entitled to receive from the Local Government Unit or the Sinking Fund Depository either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee transfers record ownership of all or any portions of the Bonds on the Register (as such term defined in
Section 4.08), in connection with discontinuing the book entry system.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds will be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance. Each such payment to DTC or its nominee will be valid and effective to discharge fully all liability of the Local Government Unit or the Sinking Fund Depository with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Sinking Fund Depository will not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of the partial redemption provided that DTC must deliver to the Sinking Fund Depository, upon request, a written confirmation of the partial redemption and thereafter the records maintained by the Sinking Fund Depository will be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

The Local Government Unit and the Sinking Fund Depository may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the Local Government Unit nor the Sinking Fund Depository will be affected by any notice to the contrary. Neither the Local Government Unit nor the Sinking Fund Depository will have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being Registered Owner, with respect to either (1) the Bonds; or (2) the accuracy of any record maintained by DTC or any such participant; or (3) the payment by DTC or any participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Ordinance; or (5) the selection by DTC or any participant of any person to receive payment in the event of partial redemption of the Bonds;
or (6) any consent given or other action taken by DTC as Registered Owner.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Ordinance will be given to DTC as provided in the blanket representation letter previously delivered to DTC.

In connection with any notice or other communication to be provided to Registered Owners pursuant to this Ordinance by the Local Government Unit or the Sinking Fund Depository with respect to any consent or other action to be taken by Registered Owners, DTC will consider the date of receipt of notice requesting such consent or other action as the record date for the consent or other action, provided that the Local Government Unit or the Sinking Fund Depository may establish a special record date for such consent or other action. The Local Government Unit or the Sinking Fund Depository must give DTC notice of the special record date not less than 10 days in advance of such special record date.

Any successor Sinking Fund Depository must, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the Local Government Unit and the Sinking Fund Depository, DTC determines to resign as securities Depository for the Bonds; or (2) after notice to DTC and the Sinking Fund Depository, the Local Government Unit determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the Local Government Unit. In either of such events (unless in the case described in clause (2) above, the Local Government Unit appoints a successor securities depository), the Bonds will be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Local Government Unit or the Sinking Fund Depository for the accuracy of such designation. Whenever DTC requests the Local Government Unit and the Sinking Fund Depository to do so, the Local Government Unit and the Sinking Fund Depository must cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain
custody of certificates evidencing the Bonds. The Bonds will also carry CUSIP numbers as a convenience to owners.

Section 4.05. Interest Payments: Accrual. The Bonds will bear interest, payable in arrears, initially on the First Interest Payment Date and then on each Interest Payment Date subsequent for the respective preceding period; provided, further, that interest may be paid from an Interest Payment Date next preceding the date of a Bond except when the date of such Bond is a date to which interest has been so paid, then from the date of such Bond, or when either (1) the date of such Bonds is prior to the First Interest Payment Date, or (2) no interest has been paid, then from the Dated Date.

Section 4.06. Record Date Payments on Default. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date, Redemption Date or Maturity Date will be entitled to receive the amounts payable on such payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such payment date.

When, if and to the extent, the Local Government Unit defaults on the payment of any amount due, any moneys collected for such payment, as and when collected from time to time, may be paid to the persons in whose names Bonds are registered at the close of business on a Special Record Date established by the Sinking Fund Depository, notice of which must be mailed to all Registered Owners of Bonds not less than ten days prior to the Special Record Date.

Section 4.07. Funds for Payment. The Bonds will be payable at the offices of the Sinking Fund Depository in the coin or currency of the United States of America that is legal tender for the payment of public and private debts at the time and place of payment; provided, however, in the absence of written demand for such payment by the Registered Owner, received by the Sinking Fund Depository not later than the Record Date, all payments of interest on the Bonds will be made by check or draft drawn on the Sinking Fund Depository and mailed, first class, postage prepaid, to the owner at the address that appears in the Register, and payment of principal will be made in like manner, following presentation at the offices of the Sinking Fund Depository.
Section 4.08. Registration and Transfer. The Local Government Unit shall cause to be kept with the Sinking Fund Depository, in its capacity as Registrar, a Register in which, subject to reasonable regulations, the Local Government Unit will provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond will be valid unless made at the offices of the Sinking Fund Depository and registered in the Register, subject, in all events, to the provisions of Section 4.04 hereof.

Upon surrender for registration of transfer of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository will authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same yield and maturity, and in the same principal amount, as the Bond so surrendered.

Any Bond will be exchangeable for other Bonds of the same yield and maturity, in any authorized denomination, in the same principal amount as the Bond or Bonds presented for exchange. Upon surrender for exchange of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository must authenticate and deliver in exchange therefor, the new Bond or Bonds which the Registered Owner making the exchange is entitled to receive.

All Bonds issued upon any registration of transfer or exchange will be valid obligations of the Local Government Unit, evidencing the same indebtedness and entitled to the same benefits under this Debt Ordinance as the Bonds surrendered for such registration of transfer or exchange. All Bonds so surrendered must be cancelled and may be destroyed by the Sinking Fund Depository.

Every Bond presented or surrendered for registration of transfer or exchange must be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the Local Government Unit and the Sinking Fund Depository, duly executed by the owner thereof or the duly authorized agent or legal representative of the owner.

No service charge will be imposed on any Registered Owner for any transfer or exchange of any Bond, but the Local Government Unit may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.
Neither the Local Government Unit, nor the Sinking Fund Depository, will be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

The Bonds will be initially registered in accordance with instructions submitted to the Sinking Fund Depository by the Purchaser.

Section 4.09. Execution and Authentication. The Bonds will be executed on behalf of the Local Government Unit by the Designated Officers, and will have a facsimile of the corporate seal of the Local Government Unit affixed thereto, duly attested. The Bonds will be authenticated by the manual execution of the Certificate of Authentication by a duly authorized officer of the Sinking Fund Depository.

No Bond will be valid until the Certificate of Authentication has been duly executed and such authentication will be the conclusive and only proof that any Bond has been issued pursuant to, and is entitled to any benefits conferred under, the provisions of this Debt Ordinance. To the extent that any one signature on a Bond (including the signature of the officer of the Sinking Fund Depository) is manual, all other signatures may be by facsimile.

Section 4.10. Notices, Selection of Bonds for Redemption. Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the applicable redemption date, to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register on the fifth business day preceding the date selected for the mailing of such notice and to the Rating Agency, and the Insurer, if any. Neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the Local Government Unit shall have duly given notice of redemption and shall have deposited funds for the payment of the Redemption Price of the Bonds with the Sinking Fund Depository, interest on such Bonds shall cease to accrue after such redemption date.

Notices of redemption shall be dated and shall state: (a) the redemption date; (b) the Redemption Price; (c) if less than all outstanding Bonds are to be redeemed, the identification
numbers and the respective maturity amounts of the Bonds to be redeemed; (d) the applicable CUSIP numbers of the Bonds called for redemption (if then generally in use, but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds); (e) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (f) that such Bonds are to be surrendered for payment at the designated corporate trust office of the Sinking Fund Depository. Additionally, notices of optional redemption may state that the redemption is conditioned upon the deposit with the Sinking Fund Depository, by the Local Government Unit, of funds sufficient to pay the Redemption Price on the Redemption Date.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Sinking Fund Depository shall select by lot the Bonds to be redeemed at such time.

Any portion of any Bond of a denomination larger than $5,000 may be redeemed, but only in the principal amount of $5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Sinking Fund Depository shall assign numbers to each $5,000 portion of any Bond of a denomination larger than $5,000 and shall treat each portion as a separate Bond in the denomination of $5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Sinking Fund Depository shall authenticate and deliver to the owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the owner in a principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.11. Temporary Bonds. Until bonds in definitive form are ready for delivery, the Local Government Unit may execute, and upon request the Sinking Fund Depository must authenticate and deliver, in lieu thereof and subject to the same provisions, limitations and conditions, one or more printed, lithographed or typewritten bonds in temporary form, substantially in the form described in Section 4.13, and with appropriate omissions, variations and insertions. Until exchanged for bonds in definitive form, such bonds in temporary form will be valid obligations entitled to the benefit of this Debt Ordinance. The Local Government Unit must, without
unreasonable delay, prepare, execute and deliver to the Sinking Fund Depository, and thereupon, upon the presentation and surrender of any bond or bonds in temporary form, the Sinking Fund Depository shall authenticate and deliver, in exchange therefor, a bond or bonds in definitive form of the same maturity for the same aggregate maturity amount as the bond or bonds in temporary form surrendered. Such exchange will be made by the Local Government Unit at its own expense and without making any charge therefor.

Section 4.12. Bonds Lost or Destroyed. Upon receipt by the Local Government Unit and the Sinking Fund Depository of evidence satisfactory to both of them that any outstanding Bond has been mutilated, destroyed, lost or stolen, and of indemnity satisfactory to both of them, the Local Government Unit may, in its discretion, execute and thereupon the Sinking Fund Depository must authenticate and deliver a new Bond of the same maturity and of like tenor in exchange and substitution for, and upon surrender and cancellation of, the mutilated Bond, or in lieu of and in substitution for the Bond so destroyed, lost or stolen.

The Local Government Unit may, for each new Bond authenticated and delivered under the provisions of this Section, require the payment of expenses, including counsel fees. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be destroyed, lost or stolen, will constitute an original additional and independent contractual obligation on the part of the Local Government Unit whether or not the Bond so alleged to be destroyed, lost or stolen is at any time enforceable by anyone, and will be equally and proportionately entitled to the benefits of this Debt Ordinance with all other Bonds issued hereunder and all limitations and debt limits imposed by the Debt Act will be increased to the extent necessary to validate such new Bonds.

Section 4.13. Form of the Bonds. The Bonds will be substantially in the following form(s):

ARTICLE 5 - CONCERNING THE SINKING FUND DEPOSITORY

Section 5.01. Maintenance of Sinking Fund. The Sinking Fund Depository will maintain the Sinking Fund as a separate account, and will, without further authorization other than as herein contained, pay, from moneys therein, the principal of, interest on and premium, if any, on the Bonds, as and when due, to the Registered Owners thereof.

Section 5.02. Unclaimed Funds. The Sinking Fund Depository will return to the Local Government Unit all moneys deposited and held in a Sinking Fund for the payment of Bonds which have not been claimed by the Registered Owners after two years from the date when payment is due, except where such funds are held for the payment of outstanding checks, drafts or other instruments of the Sinking Fund Depository. Nothing in this Section or by reason of any action taken hereunder will relieve the Local Government Unit of its liability for payment to the Registered Owners of un presented Bonds.

Section 5.03. Registration Agents. In the event the Bonds are qualified by the Purchaser, or are otherwise determined to be eligible, for the deposit, book-entry, withdrawal and other related services of The Depository Trust Company (or another or
additional recognized bond registration agent performing similar services), the Sinking Fund Depository must undertake and perform those additional duties which may be required of it in order to enable The Depository Trust Company (or other similar agent) to perform such services for its Participants, including the processing of transfers of registration within necessary time periods, the payment of Bonds by acceptable fund transfers and the delivery of adequate redemption and other payment notices.

Section 5.04. Liability of Sinking Fund Depository. The Sinking Fund Depository may exercise any of the powers or perform any duty hereunder by or through attorneys, agents, receivers or employees, and it will not be answerable or accountable for any act, default, neglect or misconduct of any such attorney, agent, receiver or employee, if reasonable care has been exercised in the appointment and retention of such person, nor shall the Sinking Fund Depository be otherwise answerable or accountable under any circumstances whatever in connection with such powers or duties, except for its own gross negligence or willful misconduct. The Sinking Fund Depository will be protected and will incur no liability in relying, acting or proceeding in good faith upon any notice, request, order, certificate, report, opinion, statement, affidavit, voucher, or other paper or document believed by it to be genuine and to have been signed, passed or presented by the proper person, nor be bound to make any investigation into the matters stated therein. However, the Sinking Fund Depository may, at any time in its discretion, require of the Local Government Unit full information and advice as to the above as well as to the performance of any of the covenants, conditions and agreements in this Debt Ordinance and may further make or cause to be made independent investigations, at the expense of the Local Government Unit, concerning its affairs. The Sinking Fund Depository may consult with legal counsel to be selected and employed by it and the opinion of such counsel will be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Sinking Fund Depository shall not have any liability under, nor duty to inquire into the terms and provisions of any agreement or instructions, other than as outlined in this Debt Ordinance. The Sinking Fund Depository shall have no duty to solicit any payments that may be due it hereunder. The Local Government Unit covenants and agrees to indemnify and hold the Sinking Fund Depository and its directors, officers, agents and employees (collectively, the “Indemnities”) harmless from and against any
and all liabilities, losses, damages, fines, suits, actions, demands, penalties, costs and expenses, including out-of-pocket, incidental expenses, legal fees and expenses of in-house counsel and legal staff and the costs and expenses of defending or preparing to defend against any claim ("Losses") that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them for following any instruction or other direction upon which the Sinking Fund Depository is authorized to rely pursuant to the terms of this Debt Ordinance. In addition to and not in limitation of the immediately preceding sentence, the Local Government Unit also covenants and agrees to indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed on, incurred by, or asserted against the Indemnitees or any of them in connection with or arising out of the Sinking Fund Depository's performance under this Debt Ordinance provided the Sinking Fund Depository has not acted with negligence or engaged in willful misconduct. The provisions of this Section 5.04 shall survive the termination of the maturity or defeasance of the Bonds, the resignation or removal of the Sinking Fund Depository for any reason. Anything herein to the contrary notwithstanding, in no event shall the Sinking Fund Depository be liable for special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Sinking Fund Depository has been advised of such loss or damage and regardless of the form of action.

Section 5.05. Ownership of Bonds. The Sinking Fund Depository, in its individual capacity or as a fiduciary, may become the owner of Bonds, with the same rights it would have if it were not the Sinking Fund Depository. The Sinking Fund Depository may also engage in, or be interested in, any financial or other transaction with the Local Government Unit not in derogation of the rights of the Registered Owners of the Bonds.

Section 5.06. Interpretation. The Sinking Fund Depository may construe any of the provisions of this Debt Ordinance insofar as it may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Sinking Fund Depository in good faith will be binding upon the Registered Owners of the Bonds.

Section 5.07. Fees and Expenses. The Sinking Fund Depository will be paid such initial and periodic fees for its services and reimbursed for such expenses, as are specified in
those proposals and other communications made to and received by the Local Government Unit in connection with the Bonds, if any, or, in all events, according to its usual, customary and reasonable schedule of fees and other charges.

Section 5.08. Removal: Resignation; Merger. The Sinking Fund Depository will serve in such capacity at the will of the Local Government Unit and may be removed, at any time, with or without cause, by the appointment of a qualified successor and upon sixty (60) days written notice to the Registered Owners of the Bonds and to the Sinking Fund Depository. Moreover, but if, and only in the event that, the payment of the Bonds has been insured to the Registered Owners thereof by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository and any successor must be, and remain at all times, acceptable to the Insurer, who will be empowered to request the appointment of a successor for cause shown. The Sinking Fund Depository may at any time resign and be discharged of the trust hereby created by giving not less than sixty (60) days written notice to the Local Government Unit and the Registered Owners, specifying the date when the resignation will take effect, in the manner required for bond redemption notices in Section 4.10 hereof, and such resignation shall take effect upon the day specified in such notice, unless previously a successor Sinking Fund Depository has been appointed by the Local Government Unit as hereinbefore provided, in which event the resignation will take effect immediately on the appointment of the successor. Any corporation or association into which the Sinking Fund Depository in its individual capacity may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Sinking Fund Depository in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Sinking Fund Depository in its individual capacity may be sold or otherwise transferred, shall be the Sinking Fund Depository under this Debt Ordinance without further act.

Section 5.09. Duties upon Default. If the Local Government Unit fails or refuses to make any required deposit in the Sinking Fund, the Sinking Fund Depository shall (a) independent of events and actions of Registered Owners, any trustee or any court or administrative or judicial officer undertaken or occurring pursuant to the provisions of Article 6 hereof: (1) notify the Department of Community and Economic Development of the failure or refusal, in order to facilitate an inspection of
the Sinking Fund by the Department pursuant to Section 8226 of the Debt Act; and (2) notify the Insurer, if any; and (b) in conjunction with such events and actions under Article 6 hereof, may, and upon request of the Registered Owners of twenty-five percent (25%) in principal amount of outstanding Bonds and upon being indemnified against cost and expense must, exercise any remedy, provided in Article 6 of this Debt Ordinance, in the Debt Act or at law or in equity, for the equal and ratable benefit of the Registered Owners of the outstanding Bonds, and must disburse all funds so collected equally and ratably to the Registered Owners thereof pursuant to the requirements of Subchapter D of Chapter 82 of the Debt Act.

Notwithstanding the foregoing, however, if, and only in the event, the payment of the Bonds has been insured to the Registered Owners by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository will diligently seek recovery of funds for the payment of the Bonds from the Insurer according to the terms of the Bond Insurance Policy and, in the event the terms of the Bond Insurance Policy are being fully met and satisfied by the Insurer, then the Sinking Fund Depository may undertake the remedies provided in subparagraph (b) of this Section 5.09 only after notice to, and with the consent of, the Insurer.

ARTICLE 6 - DEFAULTS AND REMEDIES

Section 6.01. Failure to Budget Debt Service. Subject to the provisions of Section 6.06, if applicable, if the Local Government Unit fails or refuses to make adequate provision in its budget for any fiscal year for the sums payable in respect of the Bonds, then at the suit of the Registered Owner of any Bond, the Court of Common Pleas of the Local Government Unit shall after a hearing held upon such notice to the Local Government Unit as the Court may direct, and upon a finding of such failure or neglect, by writ of mandamus, require the Designated Officer to pay into the Sinking Fund the first tax moneys or other available revenues or moneys thereafter received in such fiscal year by the Designated Officer until the sum on deposit in the Sinking Fund is equal to the moneys that should have been budgeted or appropriated for the Bonds.
Section 6.02. Failure to Pay Principal or Interest. Subject to the provisions of Section 6.06, if applicable, if the Local Government Unit fails or neglects to pay or cause to be paid the interest or principal on any of the Bonds, when due and payable, and the failure continues for thirty (30) days, the Registered Owner thereof shall, subject to any appropriate priorities created under the Debt Act, have the right to recover the amount due in an action in assumpsit in the Court of Common Pleas of the county in which the Local Government Unit is located (or, if located in more than one county, then of either). The judgment recovered will have an appropriate priority upon the moneys next coming into the treasury of the Local Government Unit.

Section 6.03. Trustee for Registered Owners.

(a) Subject to the provisions of Section 6.06, if applicable, but notwithstanding any other provision in this Debt Ordinance, if the Local Government Unit defaults in the payment of the principal of or the interest on the Bonds after the same shall become due, and such default shall continue for thirty (30) days, or if the Local Government Unit fails to comply with any provision of the Bonds or this Debt Ordinance, the Registered Owners of twenty-five percent in aggregate principal amount of the Bonds then outstanding, by an instrument or instruments filed in the office for the recorder of deeds in the county in which the Local Government Unit is located, signed and acknowledged in the same manner as a deed to be recorded, may appoint a trustee, who may be the Sinking Fund Depository, to represent the Registered Owners of all such bonds or notes, and such representation shall be exclusive for the purposes herein provided.

(b) Such trustee, may, and upon written request of the Registered Owners of twenty-five percent in principal amount of the Bonds then outstanding and upon being furnished with indemnity satisfactory to it must, in his, her or its own name take one or more of the actions set forth below and the taking of such actions will preclude similar action whether previously or subsequently initiated by individual Registered Owners of the Bonds:

(1) By mandamus or other suit, action or proceeding at law or in equity, enforce all rights of the Registered Owners of the Bonds or require the Local Government Unit to carry out any other agreement with the Registered Owners of the Bonds;
(2) Bring suit on the Bonds without the necessity for producing them;

(3) Petition the Court to levy, and the Court is hereby empowered to levy, after a hearing upon such notice to the owners of assessable real estate as the Court may prescribe, the amount due before or after the exercise of any right of acceleration on the Bonds plus estimated costs of collection upon all taxable real estate and other property subject to ad valorem taxation within the Local Government Unit, in proportion to the value thereof as assessed for tax purposes, and the trustee may collect, or cause the Local Government Unit to collect, such amounts as by foreclosure of a mortgage or security interest on the realty or other property if not paid on demand. Any assessment levied pursuant hereto will have the same priority and preference, as against other liens or mortgages on the real estate or security interests in fixtures thereon or other property, as a lien for unpaid taxes;

(4) By suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds;

(5) After thirty (30) days prior written notice to the Local Government Unit, declare the unpaid principal of all the Bonds to be, and it will thereby become, forthwith due and payable with interest at the rates stated in the Bonds until final payment (and, if all defaults are made good, then to annul such declaration and its consequences).

(c) If the Sinking Fund Depository is willing to serve and exercise the powers conferred upon a trustee appointed by this Section 6.03, no trustee appointed in the manner provided in this Section will have the powers herein set forth unless the appointment under this Section was executed by or pursuant to the authority of the Registered Owners of a principal amount of such Bonds sufficient to remove the originally appointed trustee.

(d) Proof of ownership of Bonds and of execution of instruments relative thereto must be made according to the provisions of Section 8114 of the Debt Act.
Section 6.04. Costs of Suits or Proceedings. In any suit, action or proceeding by or on behalf of the Registered Owners of defaulted Bonds, the fees and expenses of a trustee or receiver, including operating costs of a project and reasonable counsel fees, will constitute taxable costs, and all such costs and disbursements allowed by the court will be deemed additional principal due on the Bonds, and will be paid in full from any recovery prior to any distribution to the Registered Owners of the Bonds.

Section 6.05. Distribution of Moneys Realized for Registered Owners. Moneys or funds collected for the Registered Owners of defaulted Bonds will, after the payment of costs and fees as provided in Section 6.04, be applied by the trustee or receiver as follows:

(a) Unless the principal of all the Bonds has become or has been declared due and payable, (i) to the payment to the Registered Owners entitled thereto of all installments of interest then due in the order of their respective due dates and, if the amount available is not sufficient to pay any installment in full, then to the payment ratably according to the amounts due on such installment, to the Registered Owners entitled thereto, without any discrimination or preference; and (ii) to the payment to the Registered Owners entitled thereto of the unpaid principal of any Bonds which has become due, whether at stated Maturity Dates or by call for redemption, in the order of their respective due dates, and if the amount available is not sufficient to pay in full all the Bonds due on any date, then to the payment ratably, according to the amounts of principal due on such dates, to the Registered Owners entitled thereto without any discrimination or preference.

(b) If the principal of all the Bonds has become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest, to the Registered Owners entitled thereto without any discrimination or preference.
Section 6.06. Bond Insurance Policy: Procedure for Payment Thereunder. Payment of the Bonds may be insured to the Registered Owners by a Bond Insurance Policy hereby authorized, to be purchased upon the issuance and delivery of the Bonds.

If a Bond Insurance Policy is purchased to insure the Bonds, no provisions of this Debt Ordinance, the Debt Act or otherwise arising at law or in equity for the enforcement of claims by Registered Owners for the payment of either principal or interest in respect of the Bonds will be effectuated without the consent of the Insurer, so long as the terms of the Bond Insurance Policy are being fully met and satisfied.

In the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, all covenants, agreements and other obligations of the Local Government Unit to the Registered Owners of the Bonds under this Debt Ordinance and under the Debt Act, shall continue to exist and will run to the benefit of the Insurer, who will be subrogated to the rights of such Registered Owners. Accordingly, the Sinking Fund Depository must abide and follow all instructions of the Insurer for the prompt payment of the principal of and/or interest due on the Bonds to the Registered Owners, including provision of the Register to the Insurer, processing of checks or other remittances on behalf of the Insurer, collection of Bonds and notation of the Insurer's interest as subrogee within its records and on its books.

(b) to grant or confer upon the Sinking Fund Depository for the benefit of the Registered Owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred thereupon;

ARTICLE 8 - DISCHARGE OF DEBT ORDINANCE

Section 8.01. If the Local Government Unit pays or causes to be paid unto the Registered Owners the principal of, the interest on and the premium, if any, on the Bonds, at the times and in the manner stipulated therein, then this Debt Ordinance and the estate and rights hereby granted will cease, determine and be void; and thereupon the Sinking Fund Depository will release, cancel and discharge the lien and obligations of this Debt Ordinance and deliver to the Local Government Unit any funds or documents at the time subject to the lien of this Debt Ordinance which may then be in its possession; provided, however, that until such time as full and complete payment is so
made, this Debt Ordinance will be and remain in full force and effect.

Bonds, for the payment or redemption of which cash and/or securities which upon maturity will yield funds in the full amount required therefor shall have been deposited with the Sinking Fund Depository, whether upon or prior to the Maturity Date or the Redemption Date of such Bonds, will be deemed to be paid within the meaning of this Article, provided, however, that if such Bonds are to be redeemed prior to the Maturity Date(s) thereof, notice of the redemption must have been duly given or adequate provision made thereof.

ARTICLE 10 - FEDERAL SECURITIES LAW COVENANTS

Section 10.01. Compliance in General. The Local Government Unit hereby states its intention to comply, and to facilitate compliance by the Purchaser and other related parties, with all the provisions of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), including for this purpose the related body of securities disclosure and anti-fraud laws; the Local Government Unit represents and covenants that it has undertaken and performed, and will undertake and perform, or, as appropriate, discontinue, upon appropriate instructions of Bond Counsel or otherwise, all those acts necessary and proper to achieve compliance with the Rule, as interpreted by applicable regulations, rulings or other
pronouncements of the Securities and Exchange Commission, or other appropriate regulatory body.

Section 10.02. Official Statement. The Local Government Unit authorizes the preparation of the Official Statement by the Financial Advisor on its behalf and for its benefit, as an agent, and that, in particular, while matters of style and format may originate with the Financial Advisor, all substantive data and information will be provided by the Local Government Unit. The Local Government Unit, upon review as to completeness and accuracy, will deem the Preliminary Official Statement final as of its date, and certifies the Preliminary Official Statement did not and does not, as of its date, contain any untrue statements of a material fact or omit to state any material fact which should be included therein in order to make the statements contained therein, in the light of the circumstances under which they were made, not misleading, as required by statute, regulation or substantive law. The distribution of the Preliminary Official Statement by the Purchaser is hereby ratified and approved.

The Local Government Unit hereby covenants to provide a final Official Statement to the Purchaser within seven business days of the execution of the Purchase Proposal. A Designated Officer is also hereby authorized and directed to execute the Official Statement with any completions from the preliminary document that are necessary. However, the execution of a certificate (including any settlement certificate) by a Designated Officer, concurrently with or subsequent to preparation of the final Official Statement, regarding the truth and accuracy of the final Official Statement is tantamount to execution of the original document and full and sufficient authority for the printing of one or more conformed signatures therein. The Local Government Unit hereby covenants that the same representations regarding finality and completeness made regarding the Preliminary Official Statement will be true of the final Official Statement as of its date and as of Settlement. Upon such review, the Purchaser is authorized to use the final Official Statement in connection with the sale of the Bonds.

Section 10.03. Continuing Disclosure. The Local Government Unit will execute and deliver a Continuing Disclosure Certificate under which it will agree to provide or cause to be provided (i) annual financial information and operating data, and (ii) timely notice of the occurrence of certain material events with respect to the Bonds. The Purchaser's obligation to purchase the Bonds is conditioned upon its receipt of the Continuing Disclosure Certificate, at or prior to the delivery
of the Bonds, in form and substance reasonably satisfactory to the Purchaser.

ARTICLE 11 - SALE OF BONDS; SETTLEMENT

Section 11.01. Award to Purchaser. After due consideration of sundry factors, including professional assistance from the Financial Advisor and current market conditions, the Governing Body hereby: (1) determines that a private sale by negotiation of the Bonds is in the best financial interest of the Local Government Unit; and (2) authorizes the Chair of the Board of Commissioners, in her discretion, following consultation with the Financial Advisor and with the Local Government Unit's Director of Financial Administration, to award the sale of the Bonds to the Purchaser, by means of the execution of and delivery to the Purchaser of an acceptable Purchase Proposal. For this purpose, an "acceptable" Purchase Proposal shall mean an offer by the Purchaser on its standard contractual form(s), compliant with prevailing industry standards and approved, as to form, by Bond Counsel and by the Solicitor, to purchase and underwrite the Bonds and, at such interest rate or rates, at such a price, allowing for costs of issuance and upon such other conventional terms and conditions not detrimental to the interests of the Local Government Unit, and as will (i) produce net present value debt service savings of 3% and (ii) as shall be in concert with the Local Government Unit’s overall fiscal plan for management of its debt service obligations.

Section 11.02. Delivery of Bonds. The Designated Officers are hereby authorized and directed to deliver the Bonds to the Sinking Fund Depository for authentication, and thereafter to the Purchaser against confirmed receipt of the Purchase Price thereof.

The Designated Officers are hereby authorized and directed to establish with the Sinking Fund Depository, in the name of the Local Government Unit a one-day demand deposit account to facilitate the settlement of the Bonds, designated the "Clearing Fund". The Purchase Price shall be deposited into the Clearing Fund immediately upon receipt and the Designated Officers are hereby authorized and directed to transfer and invest funds, to pay all necessary, usual and proper costs of issuance of the Bonds, to execute and deliver
documents and to do all other acts, upon advice of Bond Counsel or Solicitor, that are reasonable and necessary to ensure a satisfactory settlement of the sale of the Bonds and a proper application of the proceeds of the Bonds to the Project.

Section 11.04. Expeditious Settlement. The Local Government Unit hereby authorizes and directs the Purchaser, Financial Advisor, Bond Counsel and Solicitor to undertake and perform all actions on behalf of the Local Government Unit necessary and proper to the expeditious settlement of the sale of the Bonds.

The Designated Officers are further authorized and directed to undertake and perform, or cause to be undertaken or performed, all the ordinary duties of the Local Government Unit (and the same are hereby specifically approved) which may be required under, or reasonably contemplated by, the Purchase Proposal, including without limitation, application and qualification for certain bond ratings, establishment of bank accounts with authorized depositaries for the deposit and management of Bond proceeds and other funds, establishment of an escrow account for the defeasance of the Prior Bonds, purchase of necessary investments, retention of professionals, bond printing, and execution and delivery of any certificates, orders and agreements that may be necessary, in the opinion of the Purchaser, Financial Advisor, Bond Counsel or Solicitor, for settlement of the sale of the Bonds.

The engagement of Bond Counsel is hereby confirmed and ratified according to the terms of their “Proposal for Bond Counsel Services” dated September 27, 2019 at a fee not to exceed $29,500, plus attendant expenses, for a single issue.
