Presentation by Historical Society

Ms. Carey Birgel, Executive Director, stated their Destination Northampton County exhibit was going to be opening in November. She further stated they have been working on this exhibition for three years and Northampton County had given them $30,000 over the past two years in Hotel Tax money to do it.

Ms. Birgel advised she would formally like to extend an invitation to the members of County Council to their VIP Opening on November 1, 2019. She further advised some of the community ambassadors that have worked with them would be honored at that time.

Ms. Birgel stated the public opening would be held on November 9, 2019 and would be filled with family activities.
Ms. Brittany Merriam, Curator, advised the Historical Society incorporated in 1906 and since then they have been collecting artifacts and stories. She further advised space became available on the lower level of the Sigal Museum so they reached out to members of Northampton County and asked what they would like to see in the museum.

Ms. Merriam stated overwhelming those who responded to their survey wanted to see stories about immigration, diversity and trains. She further stated looking over the items they had, they found they were missing stories and artifacts from a number of different ethnic communities.

Ms. Merriam advised over the last three years they have been connecting to Northampton County again and their new mission was to share the stories of Northampton County’s past to encourage personal reflection, community dialogue and an understanding of history’s impact on our lives.

Ms. Zrinski stated she felt preserving the heritage of the people of Northampton County was very important.

Ms. Birgel advised they have reached out to a lot of people, but they have to develop trust within the communities so people would be willing to give up their possessions or photographs. She further advised this was just the beginning and if anyone knew of someone who would like to share their stories or artifacts, they would be interested in talking to them.

In answer to Mr. Cusick’s question as to what was going on with the Bachmann House, Ms. Birgel stated Northampton County had helped to fund all new windows and shutters. She further stated it had been used for school programs for years because their goal was to make these historic buildings viable not only financially, but mission-wise.

Ms. Birgel advised the Bachmann House was not open every week day or weekend because they did not have enough people coming in, but they held approximately 30 programs there a year.

Mr. Roger Dreisbach-Williams, 25 Tumble Creek Road, Williams Township, PA - suggested County Council continue to look at the infrastructure bank proposal. He stated all the infrastructure that had to be done could be done with existing
Federal programs. He further stated the idea might be to create this wonderful bank outside of politics, but anytime someone else’s money was spent, there would be politics. He added some of these projects were going to fail and those costs would have to be covered.

Mr. Dreisbach-Williams advised the examples that were presented that worked in the past all pre-dated the establishment of the Federal Reserve. He further advised the Federal Reserve recently prevented this country from falling into a very serious financial depression and at the end of the day the Federal Reserve ended up making more money on it than it spent.

Mr. Dreisbach-Williams stated with a commitment from the Federal government to use its tools most of the infrastructure problems could be solved. He further stated he did not believe creating an infrastructure bank was the most efficient or least expensive way to solve the problems for the taxpayers and citizens of this country.

Ms. Zrinski offered to give Mr. Dreisbach-Williams more information regarding this matter.

Mr. James Irwin, 440 Spruce Lane, Nazareth, PA - advised he was the President of the Lehigh Valley Labor Council and member of the American Federation of State, County and Municipal Employees District 88, and wanted to discuss the resolution that would urge the House to take action to make sure public sector workers had the same protections as private sector workers in Pennsylvania, because they were not protected by the Occupational Health and Safety Administration (OSHA).

He further stated although the Pennsylvania Department of Transportation was not a County organization, its workers were its constituents. He further stated the one concern everyone seemed to have was the cost, but what was the cost of someone’s life.

Judge Paula Roscioli, Northampton County Courts of Common Pleas - advised one of her duties was to be the Administrative Judge of the Domestic Relations Section and recently she was advised that Ms. Kristine Sales, who had been with the Domestic Relations Section for 35 years, was the recipient of State-wide recognition for the good work she had been doing.
Mr. Lamont McClure, County Executive, presented Ms. Sales with a proclamation in honor of her being awarded the Mary Kunkel Awards of Excellence.

County Executive Report

Mr. McClure stated Mr. Stephen Barron, Director of Fiscal Affairs, received a letter on September 30, 2019, from Mr. Doran Hamann, Budget Administrator, indicating his intention to retire from the County on November 1, 2019, after 40 years of employment. He further stated it could not be understated the impact that Mr. Hamann had on County government.

Mr. Hamann advised today County Council received the 2020 Proposed Budget, noting that in 1980, the budget was $40 million and today it was $445 million, but one thing had remained the same and that was the County's obligation to provide core function services to its residents. He further advised back then the budget was one page and there was one budget meeting that was held in the now Training Room and lasted not even a half hour.

Mr. Hamann stated the budget was the most important document the Department of Fiscal Affairs provided because once it was adopted it would be the fiscal guideline for the County for the next year.

Mr. Dietz advised he wanted to thank Mr. Hamann for the work he did and the time he took to explain the budget process and answer any questions.

Mr. Cusick stated he could not imagine a budget hearing without Mr. Hamann. He further stated he was very professional, non-partisan and went strictly by the numbers.

Mr. Werner advised Mr. Hamann's door was always open for members of County Council and he was always stable, consistent, stoic and reasonable. He further advised he wanted to thank him for all his assistance during the Swaption process.

Mr. Heckman stated he knew Mr. Hamann from serving as a member of County Council and as a department head and he always did his job professionally no matter who the County Executive was or the Administration. He further stated he always found him to be informative, helpful and straight forward.
Mr. Hamann advised he enjoyed his 40 years with the County and wanted to thank County Council for their kind words, but he was leaving them in good hands with his successors.

Mr. McClure stated the proposed budget had no tax increase and it was reduced by 5.6% over what was proposed last year. He further stated a few weeks ago when Mr. Bryan Cope, Parks and Recreation Superintendent, talked about the mixed use open space/environmentally sensitive/farmland preservation projects he had been working on, he indicated he had preserved 300 acres this year.

Mr. McClure advised that was with part of the $3 million investment County Council made last year and he was proposing they make another $3 million investment this year. He further advised the County could do nothing about warehouse proliferation except to take as much land out of play as possible.

Mr. McClure stated the Lehigh Valley Transportation Study adopted the FutureLV: The Regional Plan yesterday as the official long-range transportation plan and although he really wanted to vote no, he did vote for it because he did not think it would not be prudent for the County to be working outside of the system. He further stated the County received $60 million and nine more bridges in the program.

Mr. McClure advised what really played into his voting for it was the Pennsylvania Department of Transportation provided a verbal commitment to spend an additional $75 million in the mid-range to fix 191 and 22. He further advised this did not take the County to the equity he was looking for in transportation funding, but that was not something that would happen overnight.

Mr. McClure stated the Lehigh Valley Planning Commission had joined the master plan with the master transportation part and he would suggest County Council compare the final draft with the notes the County submitted when it was received because there were some concerns especially with the change in the definition of conditional use. He further stated that was a new category that pre-supposed taking 30,000 acres out of development, but there were loopholes.

Mr. McClure advised at the last Energy, Environment and Land Use Committee meeting, Ms. Sharon Pletchan, Conservation District Manager, presented several complaints and one was a
generalized complaint about the Memorandum of Understanding. He further advised this caused him to think it may be time to consider a truly independent Conservation District.

Mr. McClure stated although the Conservation District employees received the County benefits and were in the pension system they were not under the County’s control because by statute the Conservation District’s board was independent. He further stated other Counties did have independent Conservation Districts.

Mr. McClure requested an Executive Session to receive an update on litigation and a personnel issue.

Mr. Heckman adjourned the County Council meeting into an Executive Session at 7:10 p.m. to discuss litigation and personnel issues and at 7:29 p.m. called the meeting back to order.

Introduction of an Ordinance Entitled, “AN ORDINANCE OF THE COUNCIL OF THE COUNTY OF NORTHAMPTON, NORTHAMPTON COUNTY, PENNSYLVANIA, AUTHORIZING THE INCURRING OF NONELECTORAL DEBT BY THE ISSUANCE OF GENERAL OBLIGATION BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED SEVENTY-FIVE MILLION DOLLARS ($75,000,000); COVENANTING TO PAY, AND PLEDGING ALL AVAILABLE TAXING POWER OF THE LOCAL GOVERNMENT UNIT FOR THE PAYMENT OF THE BONDS; AUTHORIZING THE ESTABLISHMENT OF A SINKING FUND AND THE APPOINTMENT OF A SINKING FUND DEPOSITORY; FIXING THE FORM, MAXIMUM INTEREST RATES, MATURITY DATES AND OTHER PROVISIONS FOR THE PAYMENT THEREOF; AUTHORIZING THE ACCEPTANCE OF A PROPOSAL FOR THE PURCHASE OF THE BONDS; AUTHORIZING A FILING OF REQUIRED DOCUMENTS WITH THE DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT; RATIFYING AND DIRECTING CERTAIN ACTIONS OF OFFICERS; AND MAKING CERTAIN OTHER COVENANTS AND PROVISIONS IN RESPECT OF THE BONDS”

ARTICLE 2 - AUTHORIZATION OF DEBT

Section 2.01. Incurrence. The Local Government Unit does hereby authorize and direct the incurrence of nonelectoral debt in an amount not to exceed the aggregate principal amount of $75,000,000 for the purposes of the Project; such debt will be evidenced by the Bonds, to be issued, sold and delivered according to the provisions of this Debt Ordinance and the Debt Act, as general obligations of the Local Government Unit.

Section 2.02. Preparation of Debt Statement Exclusion of Indebtedness. The Designated Officers are hereby authorized and directed to prepare and verify under oath or affirmation, according to the requirements of Sections 8002 and 8110 of the Debt Act, the Debt Statement of the Local Government Unit, including therewith a certification of the Borrowing Base, and, if desired, any statements required by Chapter 81, Subchapter B of the Debt Act necessary to qualify all or any portion of this, or any prior outstanding, debt for exclusion from the appropriate debt limit as self-liquidating or subsidized debt; all previous actions of Designated Officers in this regard are hereby ratified and confirmed.

Section 2.03. Proceedings Before the Department. The Designated Officers are hereby further authorized and directed to prepare and file all proceedings of the Local Government Unit relative to this incurrence of debt with the Department of Community and Economic Development and to respond to all inquiries or requests and to perform all other actions necessary to enable the Department to certify its approval to issue, sell and deliver the Bonds.

Section 2.04. Stated Maturity Dates. The Local Government Unit hereby finds and determines that: (1) the Bonds are to be issued with: (a) a final stated maturity date which does not exceed the sooner to occur of forty years or the useful life of the Project; and (b) an initial stated installment or maturity of principal which has not been deferred beyond the later of two years from the date of issuance of the Bonds or of one year from the date of expected completion of the Project; (2) the stated maturities, or principal installments subject to mandatory redemption, of the Bonds have been fixed either: (a) so as to amortize the Bonds on at least an approximately level debt service plan during the period specified for the payment of principal under Section 8142(b) of the Debt Act; or (b) in the alternative, so that the debt service on outstanding debt of the Local Government Unit (being the Bonds, together with the other
outstanding debt of the Local Government Unit) will be brought more nearly into an over-all level annual debt service plan; and (3) the yields on the Bonds have been fixed so that no yield on any single maturity during the last two-thirds of the term of the Bonds is less than the yield of the maturity preceding it.

- END OF ARTICLE 2 -
ARTICLE 3 - SECURITY FOR DEBT; SINKING FUND

Section 3.01. General Obligation Covenant. The Bonds will be general obligations of the Local Government Unit. The Local Government Unit hereby covenants with the owners from time to time of the Bonds to: (a) include the amount necessary to service the debt on the Bonds, for each fiscal year in which such sums are payable, in its budget for that year; (b) appropriate such amounts from its general revenues to the payment of the debt service; and (c) duly and punctually pay, or cause to be paid, from its Sinking Fund or from any other of its revenues or funds, the principal of and the interest on the Bonds at the dates and place and in the manner stated in the Bonds, according to the intent and meaning thereof.

For such budgeting, appropriation and payment of the Bonds, the Local Government Unit hereby irrevocably pledges its full faith, credit and taxing power. The maximum amounts of debt service hereby covenanted to be paid are set forth in Exhibit A, attached to this Debt Ordinance and incorporated by reference herein.

As provided in the Debt Act, the foregoing covenants are specifically enforceable. Notwithstanding the foregoing, nothing contained herein prohibits or restrains the authorization, issuance, sale or delivery of additional general obligation bonds or notes of the Local Government Unit on a parity with this Series of Bonds, upon adoption of an appropriate covenant to budget, appropriate and pay additional taxes and other revenues and funds for the payment and security of such additional obligations.

Section 3.02. Creation of Sinking Fund. The Local Government Unit does hereby order to be created and established (in its name and identified by reference to the Series of Bonds), following the execution of the Purchase Proposal, a Sinking Fund (or Sinking Funds, as appropriate) for the payment of the Bonds with the Sinking Fund Depository, and does further covenant to maintain such Sinking Fund until the Bonds are paid in full. The Designated Officer is hereby authorized and directed to contract with the Sinking Fund Depository for its services in such capacity, when appropriate, together with its services as Paying Agent and Registrar for the Bonds.

Section 3.03. Deposits into Sinking Fund. The Local Government Unit covenants with the owners of the Bonds, and a Designated Officer (according to the duties specified in Section
8223 of the Debt Act) is hereby authorized and directed, to withdraw from the General Fund (or in the event debt service charges have been capitalized, from any Project fund hereafter established with the proceeds of the Bonds, as authorized in Section 11.04) and to deposit into the Sinking Fund on or before the appropriate Interest Payment Dates (or as and when otherwise due by their terms or the terms of the Bond Insurance Policy, if any, and in order to provide same-day, available funds for timely payment), amounts sufficient to pay: (a) the interest on the Bonds then outstanding; and (b) the principal of the Bonds then maturing or subject to redemption on each such Interest Payment Date as set forth in Section 3.01.

Section 3.04. Investment of Sinking Fund. All moneys in the Sinking Fund not required for prompt expenditure may, in accordance with written or telephonic (if subsequently confirmed in writing according to the reasonable practices and requests of the Sinking Fund Depository) instructions of a Designated Officer, be invested in Authorized Investments.

Authorized investments must mature or must be subject to redemption, withdrawal or collection in their full amount at the option of the Sinking Fund Depository not later than the date upon which moneys are required to be paid to owners of the Bonds. All moneys in the Sinking Fund must be applied exclusively to the payment of the Bonds as they become due and payable. All moneys deposited into the Sinking Fund and all investments and proceeds thereof will be subject to a perfected security interest for the benefit of the owners of the Bonds. Income received from any deposit or investment within the Sinking Fund must remain within and be a part of the Sinking Fund and all such amounts may be applied in reduction or completion of any amount covenanted under Section 3.01 hereof to be deposited therein; provided, however, that the obligation of the Local Government Unit to pay the Bonds is, and will remain, absolute, and may not be satisfied or reduced merely by the deposit of moneys into the Sinking Fund or from the expectation of earnings thereon.

The Bonds will be identified by the Dated Date, will be dated as of the Authentication Dates, will bear (or accrue) interest not to exceed the rate(s) (or yield(s)), payable or compounded on the appropriate Interest Payment Dates, and will mature on the Maturity Dates (or be redeemed, mandatorily, on the appropriate Mandatory Redemption Dates, as provided in Section 4.03) and in such principal amounts as shall not exceed the principal amounts (or maturity amounts) set forth in Section 3.01.

Section 4.02. Optional Redemption. The Bonds scheduled to mature on a date after the Optional Redemption Date may be redeemed prior to maturity at the option of the Local Government Unit (a) in whole, on the Optional Redemption Date or on any date thereafter, or (b) in part, from time to time, on the Optional Redemption Date or on any date thereafter, by lot within a maturity, upon payment of the applicable Redemption Price. As more fully provided in Section 4.10, notice of redemption of Bonds, which may be conditional, shall be given by first class mail.

Section 4.03. Mandatory Redemption. Term Bonds (if any) shall be redeemed prior to maturity by the Sinking Fund Depository without further authorization on the appropriate Mandatory Redemption Dates and in the appropriate principal amounts set forth in Article I and in Section 3.01 hereof upon payment of the applicable Redemption Price.

Section 4.04. Book Entry System. The Bonds will be issued in denominations of $5,000 or any multiple thereof initially in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds will be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"). Initially, all of the Bonds will be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC requests that the Bonds be registered in the name of a different nominee, the Sinking Fund Depository must exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee of DTC. No person other than DTC or its nominee is entitled to receive from the Local Government Unit or the Sinking Fund Depository either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee transfers record ownership of all or any portions of the Bonds on the Register (as such term defined in
Section 4.08), in connection with discontinuing the book entry system.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds will be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance. Each such payment to DTC or its nominee will be valid and effective to discharge fully all liability of the Local Government Unit or the Sinking Fund Depository with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Sinking Fund Depository will not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of the partial redemption provided that DTC must deliver to the Sinking Fund Depository, upon request, a written confirmation of the partial redemption and thereafter the records maintained by the Sinking Fund Depository will be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

The Local Government Unit and the Sinking Fund Depository may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the Local Government Unit nor the Sinking Fund Depository will be affected by any notice to the contrary. Neither the Local Government Unit nor the Sinking Fund Depository will have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being Registered Owner, with respect to either (1) the Bonds; or (2) the accuracy of any record maintained by DTC or any such participant; or (3) the payment by DTC or any participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Ordinance; or (5) the selection by DTC or any participant of any person to receive payment in the event of partial redemption of the Bonds;
or (6) any consent given or other action taken by DTC as Registered Owner.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Ordinance will be given to DTC as provided in the blanket representation letter previously delivered to DTC.

In connection with any notice or other communication to be provided to Registered Owners pursuant to this Ordinance by the Local Government Unit or the Sinking Fund Depository with respect to any consent or other action to be taken by Registered Owners, DTC will consider the date of receipt of notice requesting such consent or other action as the record date for the consent or other action, provided that the Local Government Unit or the Sinking Fund Depository may establish a special record date for such consent or other action. The Local Government Unit or the Sinking Fund Depository must give DTC notice of the special record date not less than 10 days in advance of such special record date.

Any successor Sinking Fund Depository must, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the Local Government Unit and the Sinking Fund Depository, DTC determines to resign as securities Depository for the Bonds; or (2) after notice to DTC and the Sinking Fund Depository, the Local Government Unit determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the Local Government Unit. In either of such events (unless in the case described in clause (2) above, the Local Government Unit appoints a successor securities depository), the Bonds will be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Local Government Unit or the Sinking Fund Depository for the accuracy of such designation. Whenever DTC requests the Local Government Unit and the Sinking Fund Depository to do so, the Local Government Unit and the Sinking Fund Depository must cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain
custody of certificates evidencing the Bonds. The Bonds will also carry CUSIP numbers as a convenience to owners.

Section 4.05. Interest Payments: Accrual. The Bonds will bear interest, payable in arrears, initially on the First Interest Payment Date and then on each Interest Payment Date subsequent for the respective preceding period; provided, further, that interest may be paid from an Interest Payment Date next preceding the date of a Bond except when the date of such Bond is a date to which interest has been so paid, then from the date of such Bond, or when either (1) the date of such Bonds is prior to the First Interest Payment Date, or (2) no interest has been paid, then from the Dated Date.

Section 4.06. Record Date Payments on Default. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date, Redemption Date or Maturity Date will be entitled to receive the amounts payable on such payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such payment date.

When, if and to the extent, the Local Government Unit defaults on the payment of any amount due, any moneys collected for such payment, as and when collected from time to time, may be paid to the persons in whose names Bonds are registered at the close of business on a Special Record Date established by the Sinking Fund Depository, notice of which must be mailed to all Registered Owners of Bonds not less than ten days prior to the Special Record Date.

Section 4.07. Funds for Payment. The Bonds will be payable at the offices of the Sinking Fund Depository in the coin or currency of the United States of America that is legal tender for the payment of public and private debts at the time and place of payment; provided, however, in the absence of written demand for such payment by the Registered Owner, received by the Sinking Fund Depository not later than the Record Date, all payments of interest on the Bonds will be made by check or draft drawn on the Sinking Fund Depository and mailed, first class, postage prepaid, to the owner at the address that appears in the Register, and payment of principal will be made in like manner, following presentation at the offices of the Sinking Fund Depository.
Section 4.08. Registration and Transfer. The Local Government Unit shall cause to be kept with the Sinking Fund Depository, in its capacity as Registrar, a Register in which, subject to reasonable regulations, the Local Government Unit will provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond will be valid unless made at the offices of the Sinking Fund Depository and registered in the Register, subject, in all events, to the provisions of Section 4.04 hereof.

Upon surrender for registration of transfer of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository will authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same yield and maturity, and in the same principal amount, as the Bond so surrendered.

Any Bond will be exchangeable for other Bonds of the same yield and maturity, in any authorized denomination, in the same principal amount as the Bond or Bonds presented for exchange. Upon surrender for exchange of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository must authenticate and deliver in exchange therefor, the new Bond or Bonds which the Registered Owner making the exchange is entitled to receive.

All Bonds issued upon any registration of transfer or exchange will be valid obligations of the Local Government Unit, evidencing the same indebtedness and entitled to the same benefits under this Debt Ordinance as the Bonds surrendered for such registration of transfer or exchange. All Bonds so surrendered must be cancelled and may be destroyed by the Sinking Fund Depository.

Every Bond presented or surrendered for registration of transfer or exchange must be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the Local Government Unit and the Sinking Fund Depository, duly executed by the owner thereof or the duly authorized agent or legal representative of the owner.

No service charge will be imposed on any Registered Owner for any transfer or exchange of any Bond, but the Local Government Unit may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.
Neither the Local Government Unit, nor the Sinking Fund Depository, will be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

The Bonds will be initially registered in accordance with instructions submitted to the Sinking Fund Depository by the Purchaser.

Section 4.09. Execution and Authentication. The Bonds will be executed on behalf of the Local Government Unit by the Designated Officers, and will have a facsimile of the corporate seal of the Local Government Unit affixed thereto, duly attested. The Bonds will be authenticated by the manual execution of the Certificate of Authentication by a duly authorized officer of the Sinking Fund Depository.

No Bond will be valid until the Certificate of Authentication has been duly executed and such authentication will be the conclusive and only proof that any Bond has been issued pursuant to, and is entitled to any benefits conferred under, the provisions of this Debt Ordinance. To the extent that any one signature on a Bond (including the signature of the officer of the Sinking Fund Depository) is manual, all other signatures may be by facsimile.

Section 4.10. Notices, Selection of Bonds for Redemption. Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the applicable redemption date, to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register on the fifth business day preceding the date selected for the mailing of such notice and to the Rating Agency, and the Insurer, if any. Neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the Local Government Unit shall have duly given notice of redemption and shall have deposited funds for the payment of the Redemption Price of the Bonds with the Sinking Fund Depository, interest on such Bonds shall cease to accrue after such redemption date.

Notices of redemption shall be dated and shall state: (a) the redemption date; (b) the Redemption Price; (c) if less than all outstanding Bonds are to be redeemed, the identification
numbers and the respective maturity amounts of the Bonds to be redeemed; (d) the applicable CUSIP numbers of the Bonds called for redemption (if then generally in use, but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds); (e) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (f) that such Bonds are to be surrendered for payment at the designated corporate trust office of the Sinking Fund Depository. Additionally, notices of optional redemption may state that the redemption is conditioned upon the deposit with the Sinking Fund Depository, by the Local Government Unit, of funds sufficient to pay the Redemption Price on the Redemption Date.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Sinking Fund Depository shall select by lot the Bonds to be redeemed at such time.

Any portion of any Bond of a denomination larger than $5,000 may be redeemed, but only in the principal amount of $5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Sinking Fund Depository shall assign numbers to each $5,000 portion of any Bond of a denomination larger than $5,000 and shall treat each portion as a separate Bond in the denomination of $5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Sinking Fund Depository shall authenticate and deliver to the owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the owner in a principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.11. Temporary Bonds. Until bonds in definitive form are ready for delivery, the Local Government Unit may execute, and upon request the Sinking Fund Depository must authenticate and deliver, in lieu thereof and subject to the same provisions, limitations and conditions, one or more printed, lithographed or typewritten bonds in temporary form, substantially in the form described in Section 4.13, and with appropriate omissions, variations and insertions. Until exchanged for bonds in definitive form, such bonds in temporary form will be valid obligations entitled to the benefit of this Debt Ordinance. The Local Government Unit must, without
unreasonable delay, prepare, execute and deliver to the Sinking Fund Depository, and thereupon, upon the presentation and surrender of any bond or bonds in temporary form, the Sinking Fund Depository shall authenticate and deliver, in exchange therefor, a bond or bonds in definitive form of the same maturity for the same aggregate maturity amount as the bond or bonds in temporary form surrendered. Such exchange will be made by the Local Government Unit at its own expense and without making any charge therefor.

Section 4.12. Bonds Lost or Destroyed. Upon receipt by the Local Government Unit and the Sinking Fund Depository of evidence satisfactory to both of them that any outstanding Bond has been mutilated, destroyed, lost or stolen, and of indemnity satisfactory to both of them, the Local Government Unit may, in its discretion, execute and thereupon the Sinking Fund Depository must authenticate and deliver a new Bond of the same maturity and of like tenor in exchange and substitution for, and upon surrender and cancellation of, the mutilated Bond, or in lieu of and in substitution for the Bond so destroyed, lost or stolen.

The Local Government Unit may, for each new Bond authenticated and delivered under the provisions of this Section, require the payment of expenses, including counsel fees. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be destroyed, lost or stolen, will constitute an original additional and independent contractual obligation on the part of the Local Government Unit whether or not the Bond so alleged to be destroyed, lost or stolen is at any time enforceable by anyone, and will be equally and proportionately entitled to the benefits of this Debt Ordinance with all other Bonds issued hereunder and all limitations and debt limits imposed by the Debt Act will be increased to the extent necessary to validate such new Bonds.

Section 4.13. Form of the Bonds. The Bonds will be substantially in the following form(s):

- END OF ARTICLE 4 -
ARTICLE 5 - CONCERNING THE SINKING FUND DEPOSITORY

Section 5.01. Maintenance of Sinking Fund. The Sinking Fund Depository will maintain the Sinking Fund as a separate account, and will, without further authorization other than as herein contained, pay, from moneys therein, the principal of, interest on and premium, if any, on the Bonds, as and when due, to the Registered Owners thereof.

Section 5.02. Unclaimed Funds. The Sinking Fund Depository will return to the Local Government Unit all moneys deposited and held in a Sinking Fund for the payment of Bonds which have not been claimed by the Registered Owners after two years from the date when payment is due, except where such funds are held for the payment of outstanding checks, drafts or other instruments of the Sinking Fund Depository. Nothing in this Section or by reason of any action taken hereunder will relieve the Local Government Unit of its liability for payment to the Registered Owners of unpresented Bonds.

Section 5.03. Registration Agents. In the event the Bonds are qualified by the Purchaser, or are otherwise determined to be eligible, for the deposit, book-entry, withdrawal and other related services of The Depository Trust Company (or another or additional recognized bond registration agent performing similar services), the Sinking Fund Depository must undertake and perform those additional duties which may be required of it in order to enable The Depository Trust Company (or other similar agent) to perform such services for its Participants, including the processing of transfers of registration within necessary time periods, the payment of Bonds by acceptable fund transfers and the delivery of adequate redemption and other payment notices.

Section 5.04. Liability of Sinking Fund Depository. The Sinking Fund Depository may exercise any of the powers or perform any duty hereunder by or through attorneys, agents, receivers or employees, and it will not be answerable or accountable for any act, default, neglect or misconduct of any such attorney, agent, receiver or employee, if reasonable care has been exercised in the appointment and retention of such person, nor shall the Sinking Fund Depository be otherwise answerable or accountable under any circumstances whatever in connection with such powers or duties, except for its own gross negligence or willful misconduct. The Sinking Fund Depository will be protected and will incur no liability in relying, acting or proceeding in good faith upon any notice, request, order,
certificate, report, opinion, statement, affidavit, voucher, or other paper or document believed by it to be genuine and to have been signed, passed or presented by the proper person, nor be bound to make any investigation into the matters stated therein. However, the Sinking Fund Depository may, at any time in its discretion, require of the Local Government Unit full information and advice as to the above as well as to the performance of any of the covenants, conditions and agreements in this Debt Ordinance and may further make or cause to be made independent investigations, at the expense of the Local Government Unit, concerning its affairs. The Sinking Fund Depository may consult with legal counsel to be selected and employed by it and the opinion of such counsel will be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel. The Sinking Fund Depository shall not have any liability under, nor duty to inquire into the terms and provisions of any agreement or instructions, other than as outlined in this Debt Ordinance. The Sinking Fund Depository shall have no duty to solicit any payments that may be due it hereunder. The Local Government Unit covenants and agrees to indemnify and hold the Sinking Fund Depository and its directors, officers, agents and employees (collectively, the "Indemnitees") harmless from and against any and all liabilities, losses, damages, fines, suits, actions, demands, penalties, costs and expenses, including out-of-pocket, incidental expenses, legal fees and expenses, the allocated costs and expenses of in-house counsel and legal staff and the costs and expenses of defending or preparing to defend against any claim ("Losses") that may be imposed on, incurred by, or asserted against, the Indemnitees or any of them for following any instruction or other direction upon which the Sinking Fund Depository is authorized to rely pursuant to the terms of this Debt Ordinance. In addition to and not in limitation of the immediately preceding sentence, the Local Government Unit also covenants and agrees to indemnify and hold the Indemnitees and each of them harmless from and against any and all Losses that may be imposed on, incurred by, or asserted against the Indemnitees or any of them in connection with or arising out of the Sinking Fund Depository's performance under this Debt Ordinance provided the Sinking Fund Depository has not acted with negligence or engaged in willful misconduct. The provisions of this Section 5.04 shall survive the termination of the maturity or defeasance of the Bonds the resignation or removal of the Sinking Fund Depository for any reason. Anything herein to the contrary notwithstanding, in no event shall the Sinking Fund Depository be liable for special, indirect or
consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Sinking Fund Depository has been advised of such loss or damage and regardless of the form of action.

Section 5.05. Ownership of Bonds. The Sinking Fund Depository, in its individual capacity or as a fiduciary, may become the owner of Bonds, with the same rights it would have if it were not the Sinking Fund Depository. The Sinking Fund Depository may also engage in, or be interested in, any financial or other transaction with the Local Government Unit not in derogation of the rights of the Registered Owners of the Bonds.

Section 5.06. Interpretation. The Sinking Fund Depository may construe any of the provisions of this Debt Ordinance insofar as it may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Sinking Fund Depository in good faith will be binding upon the Registered Owners of the Bonds.

Section 5.07. Fees and Expenses. The Sinking Fund Depository will be paid such initial and periodic fees for its services and reimbursed for such expenses, as are specified in those proposals and other communications made to and received by the Local Government Unit in connection with the Bonds, if any, or, in all events, according to its usual, customary and reasonable schedule of fees and other charges.

Section 5.08. Removal; Resignation; Merger. The Sinking Fund Depository will serve in such capacity at the will of the Local Government Unit and may be removed, at any time, with or without cause, by the appointment of a qualified successor and upon sixty (60) days written notice to the Registered Owners of the Bonds and to the Sinking Fund Depository. Moreover, but if, and only in the event that, the payment of the Bonds has been insured to the Registered Owners thereof by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository and any successor must be, and remain at all times, acceptable to the Insurer, who will be empowered to request the appointment of a successor for cause shown. The Sinking Fund Depository may at any time resign and be discharged of the trust hereby created by giving not less than sixty (60) days written notice to the Local Government Unit and the Registered Owners, specifying the date when the resignation will take effect, in the manner required for bond redemption notices in Section 4.10 hereof, and such resignation shall take effect upon the day
specified in such notice, unless previously a successor Sinking Fund Depository has been appointed by the Local Government Unit as hereinbefore provided, in which event the resignation will take effect immediately on the appointment of the successor. Any corporation or association into which the Sinking Fund Depository in its individual capacity may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion or consolidation to which the Sinking Fund Depository in its individual capacity shall be a party, or any corporation or association to which all or substantially all the corporate trust business of the Sinking Fund Depository in its individual capacity may be sold or otherwise transferred, shall be the Sinking Fund Depository under this Debt Ordinance without further act.

Section 5.09. Duties upon Default. If the Local Government Unit fails or refuses to make any required deposit in the Sinking Fund, the Sinking Fund Depository shall (a) independent of events and actions of Registered Owners, any trustee or any court or administrative or judicial officer undertaken or occurring pursuant to the provisions of Article 6 hereof: (1) notify the Department of Community and Economic Development of the failure or refusal, in order to facilitate an inspection of the Sinking Fund by the Department pursuant to Section 8226 of the Debt Act; and (2) notify the Insurer, if any; and (b) in conjunction with such events and actions under Article 6 hereof, may, and upon request of the Registered Owners of twenty-five percent (25%) in principal amount of outstanding Bonds and upon being indemnified against cost and expense must, exercise any remedy, provided in Article 6 of this Debt Ordinance, in the Debt Act or at law or in equity, for the equal and ratable benefit of the Registered Owners of the outstanding Bonds, and must disburse all funds so collected equally and ratably to the Registered Owners thereof pursuant to the requirements of Subchapter D of Chapter 82 of the Debt Act.

Notwithstanding the foregoing, however, if, and only in the event, the payment of the Bonds has been insured to the Registered Owners by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository will diligently seek recovery of funds for the payment of the Bonds from the Insurer according to the terms of the Bond Insurance Policy and, in the event the terms of the Bond Insurance Policy are being fully met and satisfied by the Insurer, then the Sinking Fund Depository may undertake the remedies provided in
subparagraph (b) of this Section 5.09 only after notice to, and with the consent of, the Insurer.

ARTICLE 6 - DEFAULTS AND REMEDIES

Section 6.01. Failure to Budget Debt Service. Subject to the provisions of Section 6.06, if applicable, if the Local Government Unit fails or refuses to make adequate provision in its budget for any fiscal year for the sums payable in respect of the Bonds, then at the suit of the Registered Owner of any Bond, the Court of Common Pleas of the Local Government Unit shall after a hearing held upon such notice to the Local Government Unit as the Court may direct, and upon a finding of such failure or neglect, by writ of mandamus, require the Designated Officer to pay into the Sinking Fund the first tax moneys or other available revenues or moneys thereafter received in such fiscal year by the Designated Officer until the sum on deposit in the Sinking Fund is equal to the moneys that should have been budgeted or appropriated for the Bonds.

Section 6.02. Failure to Pay Principal or Interest. Subject to the provisions of Section 6.06, if applicable, if the Local Government Unit fails or neglects to pay or cause to be paid the interest or principal on any of the Bonds, when due and payable, and the failure continues for thirty (30) days, the Registered Owner thereof shall, subject to any appropriate priorities created under the Debt Act, have the right to recover the amount due in an action in assumpsit in the Court of Common Pleas of the county in which the Local Government Unit is located (or, if located in more than one county, then of either). The judgment recovered will have an appropriate priority upon the moneys next coming into the treasury of the Local Government Unit.

Section 6.03. Trustee for Registered Owners.

(a) Subject to the provisions of Section 6.06, if applicable, but notwithstanding any other provision in this Debt Ordinance, if the Local Government Unit defaults in the payment of the principal of or the interest on the Bonds after the same shall become due, and such default shall continue for thirty (30) days, or if the Local Government Unit fails to comply with any provision of the Bonds or this Debt Ordinance, the Registered Owners of twenty-five percent in aggregate principal amount of the Bonds then outstanding, by an instrument or instruments filed in the office for the recorder of deeds in the county in which the Local Government Unit is located, signed and acknowledged in the same manner as a deed to be recorded, may appoint a trustee, who may be the Sinking Fund Depository, to represent the Registered Owners of all such
bonds or notes, and such representation shall be exclusive for the purposes herein provided.

(b) Such trustee, may, and upon written request of the Registered Owners of twenty-five percent in principal amount of the Bonds then outstanding and upon being furnished with indemnity satisfactory to it must, in his, her or its own name take one or more of the actions set forth below and the taking of such actions will preclude similar action whether previously or subsequently initiated by individual Registered Owners of the Bonds:

(1) By mandamus or other suit, action or proceeding at law or in equity, enforce all rights of the Registered Owners of the Bonds or require the Local Government Unit to carry out any other agreement with the Registered Owners of the Bonds;

(2) Bring suit on the Bonds without the necessity for producing them;

(3) Petition the Court to levy, and the Court is hereby empowered to levy, after a hearing upon such notice to the owners of assessable real estate as the Court may prescribe, the amount due before or after the exercise of any right of acceleration on the Bonds plus estimated costs of collection upon all taxable real estate and other property subject to ad valorem taxation within the Local Government Unit, in proportion to the value thereof as assessed for tax purposes, and the trustee may collect, or cause the Local Government Unit to collect, such amounts as by foreclosure of a mortgage or security interest on the realty or other property if not paid on demand. Any assessment levied pursuant hereto will have the same priority and preference, as against other liens or mortgages on the real estate or security interests in fixtures thereon or other property, as a lien for unpaid taxes;

(4) By suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds;

(5) After thirty (30) days prior written notice to the Local Government Unit, declare the unpaid principal of all the Bonds to be, and it will thereby
become, forthwith due and payable with interest at the rates stated in the Bonds until final payment (and, if all defaults are made good, then to annul such declaration and its consequences).

(c) If the Sinking Fund Depository is willing to serve and exercise the powers conferred upon a trustee appointed by this Section 6.03, no trustee appointed in the manner provided in this Section will have the powers herein set forth unless the appointment under this Section was executed by or pursuant to the authority of the Registered Owners of a principal amount of such Bonds sufficient to remove the originally appointed trustee.

(d) Proof of ownership of Bonds and of execution of instruments relative thereto must be made according to the provisions of Section 8114 of the Debt Act.

Section 6.04. Costs of Suits or Proceedings. In any suit, action or proceeding by or on behalf of the Registered Owners of defaulted Bonds, the fees and expenses of a trustee or receiver, including operating costs of a project and reasonable counsel fees, will constitute taxable costs, and all such costs and disbursements allowed by the court will be deemed additional principal due on the Bonds, and will be paid in full from any recovery prior to any distribution to the Registered Owners of the Bonds.

Section 6.05. Distribution of Moneys Realized for Registered Owners. Moneys or funds collected for the Registered Owners of defaulted Bonds will, after the payment of costs and fees as provided in Section 6.04, be applied by the trustee or receiver as follows:

(a) Unless the principal of all the Bonds has become or has been declared due and payable, (i) to the payment to the Registered Owners entitled thereto of all installments of interest then due in the order of their respective due dates and, if the amount available is not sufficient to pay any installment in full, then to the payment ratably according to the amounts due on such installment, to the Registered Owners entitled thereto, without any discrimination or preference; and (ii) to the payment to the Registered Owners entitled thereto of the unpaid principal of any Bonds which has become due, whether at stated Maturity Dates or by call for redemption, in the order of their respective due dates, and if the amount
available is not sufficient to pay in full all the Bonds due on any date, then to the payment ratably, according to the amounts of principal due on such dates, to the Registered Owners entitled thereto without any discrimination or preference.

(b) If the principal of all the Bonds has become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest, to the Registered Owners entitled thereto without any discrimination or preference.

Section 6.06. Bond Insurance Policy: Procedure for Payment Thereunder. Payment of the Bonds may be insured to the Registered Owners by a Bond Insurance Policy hereby authorized, to be purchased upon the issuance and delivery of the Bonds.

If a Bond Insurance Policy is purchased to insure the Bonds, no provisions of this Debt Ordinance, the Debt Act or otherwise arising at law or in equity for the enforcement of claims by Registered Owners for the payment of either principal or interest in respect of the Bonds will be effectuated without the consent of the Insurer, so long as the terms of the Bond Insurance Policy are being fully met and satisfied.

In the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, all covenants, agreements and other obligations of the Local Government Unit to the Registered Owners of the Bonds under this Debt Ordinance and under the Debt Act, shall continue to exist and will run to the benefit of the Insurer, who will be subrogated to the rights of such Registered Owners. Accordingly, the Sinking Fund Depository must abide and follow all instructions of the Insurer for the prompt payment of the principal of and/or interest due on the Bonds to the Registered Owners, including provision of the Register to the Insurer, processing of checks or other remittances on behalf of the Insurer, collection of Bonds and notation of the Insurer's interest as subrogee within its records and on its books.

- END OF ARTICLE 6 -
ARTICLE 7 - AMENDMENTS AND MODIFICATIONS

Section 7.01. Amendments Without Consent. The Local Government Unit may, from time to time and at any time, enact, execute, file with the Department and deliver to the Sinking Fund Depository, who must accept the same, debt ordinances amending, modifying or supplemental hereto that are not inconsistent with the terms and provisions hereof and which do not adversely affect the rights of the Registered Owners of the Bonds (which modifying or supplemental debt ordinances will thereafter form a part hereof) for the following purposes:

(a) to cure any ambiguity, formal defect or omission in this Debt Ordinance;

(b) to grant or confer upon the Sinking Fund Depository for the benefit of the Registered Owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred thereupon;

(c) to add to this Debt Ordinance additional covenants and agreements thereafter to be observed by, or to surrender any right or power herein reserved to or conferred upon, the Local Government Unit; or

(d) to amend the definition of the Project and change the purposes of the Bonds, in compliance with all provisions of the Debt Act.

Section 7.02. Amendments With Consent. With the consent of the Registered Owners of not less than sixty-six and two-thirds percent (66 2/3%) in outstanding principal amount of the Bonds, (and with the consent of the Insurer, if any) the Local Government Unit may, from time to time and at any time, enact, execute, file with the Department and deliver to the Sinking Fund Depository, who shall accept the same, debt ordinances amending, modifying or supplemental hereto for the purpose of adding any provision to or changing in any manner or eliminating any of the provisions of this Debt Ordinance or of modifying in any manner the rights of the Registered Owners of the Bonds; provided, however, that no such modifying or supplemental debt ordinance shall: (1) extend the fixed maturity date of any Bond, or reduce the principal amount thereof, or reduce the rate or extend the time of payment of interest thereon, or reduce any premium payable upon the redemption thereof, without the consent of the Registered Owner of each Bond so affected; or (ii) reduce the aforesaid percentage of Bonds, the Registered Owners of
which are required to consent to any such modification or supplement, without the consent of the Registered Owners of all Bonds then outstanding. The consent of the Registered Owners for the particular form of any proposed modification or supplement is not necessary, if the consent approves the substance thereof.

Section 7.03. Acceptance of Amendment. The Sinking Fund Depository shall accept any amending, modifying or supplemental debt ordinance which the Local Government Unit is authorized to execute hereunder upon delivery of the following:

(a) The amending, modifying or supplemental debt ordinance, duly executed with proof of filing with the Department; and

(b) An opinion of Bond Counsel to the effect that such amending, modifying or supplemental debt ordinance was properly enacted, executed, and delivered pursuant to: (i) the provisions of Section 7.01 hereof; or (ii) the provisions of Section 7.02 hereof and that the consent of the Registered Owners of the Bonds required hereunder has been secured, and that, in all events, the enactment, execution and delivery of such debt ordinance complies with all applicable requirements of law, including the Debt Act.

Section 7.04. Effect of Amendment. Upon the execution of any amending, modifying or supplemental debt ordinance pursuant to the provisions of this Article, this Debt Ordinance will be and be deemed to be amended, modified and supplemented in accordance therewith, and the respective rights, limitation of rights, obligations, duties and immunities of parties hereunder will thereafter be determined, exercised and enforced hereunder subject in all respects to the amendments, modifications and supplements, and all the terms and conditions of any such debt ordinance will be and be deemed to be part of the terms and conditions of this Debt Ordinance for any and all purposes.

Section 7.05. Notice of Amendment. Written notice, including a summary description, of any amending, modifying or supplemental debt ordinance once effectuated will be confirmed promptly to all Registered Owners, and will be given to the Rating Agency and the Insurer, if any, by first class mail, postage prepaid.

ARTICLE 8 - DISCHARGE OF DEBT ORDINANCE

Section 8.01. If the Local Government Unit pays or causes to be paid unto the Registered Owners the principal of, the interest on and the premium, if any, on the Bonds, at the times and in the manner stipulated therein, then this Debt Ordinance and the estate and rights hereby granted will cease, determine and be void; and thereupon the Sinking Fund Depository will release, cancel and discharge the lien and obligations of this Debt Ordinance and deliver to the Local Government Unit any funds or documents at the time subject to the lien of this Debt Ordinance which may then be in its possession; provided, however, that until such time as full and complete payment is so made, this Debt Ordinance will be and remain in full force and effect.

Bonds, for the payment or redemption of which cash and/or securities which upon maturity will yield funds in the full amount required therefor shall have been deposited with the Sinking Fund Depository, whether upon or prior to the Maturity Date or the Redemption Date of such Bonds, will be deemed to be paid within the meaning of this Article, provided, however, that if such Bonds are to be redeemed prior to the Maturity Date(s) thereof, notice of the redemption must have been duly given or adequate provision made thereof.

In the event a Bond Insurance Policy is acquired in connection with the Bonds and in the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, the Bonds will remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Local Government Unit, until full, proper and complete payment and reimbursement is made to the Insurer by the Local Government Unit pursuant to the Bond Insurance Policy.

COUNTY OF NORTHAMPTON

[SEAL]

Clerk of Council
Mr. Heckman advised the public hearing, debate and possible vote would be held at the October 17, 2019 meeting.

Consideration of Bond Counsel Resolution

Mr. Werner introduced the following resolution:

R. 110-2019  WHEREAS, Section 13.15(d) of the Northampton County Administrative Code prohibits the County Executive or any other independently elected official from entering into a contract or from retaining bond counsel or financial advisors related to the prospective 2019 bond issue without approval of the contract by a resolution of County Council; and

WHEREAS, the County of Northampton is currently in the process of issuing a 2019 Taxable Bond Refunding; and

WHEREAS, at the Northampton County Council meeting held October 3, 2019, the Director of Fiscal Affairs indicated that, in response to proposals he issued, he has received proposals for bond counsel services and has recommended the hiring of the firm of Dinsmore & Shohl LLP to provide bond counsel services in conjunction with the 2019 Taxable Bond Refunding.

NOW, THEREFORE, BE IT RESOLVED that the Northampton County Council does hereby concur with the recommendation of the Director of Fiscal Affairs to hire the firm of Dinsmore & Shohl LLP to serve as bond counsel for the 2019 General Obligation Bond Issue.

Mr. Cusick stated he preferred to hire a local law firm to handle this type of business, but after reviewing the numbers Mr. Barron provided, this firm was significantly less.

Mr. Cusick advised there was mention of arbitrage as part of the documents as they were presented and he was not familiar how that was involved with refinancing because typically it was involved when money was not spent and it sat in a bank account. He then asked why negative arbitrage was listed in the presentation.

Mr. Scott Shearer, Managing Director, PFM, stated negative arbitrage was used when borrowing new money for new capital projects where you could be restricted as far as to what interest rate you would be able to earn on that money, noting
schedules it may be restricted to the interest rate that was borrowed. He further stated positive arbitrage was where you earn more than your bond rate and negative arbitrage was if you earned less.

Mr. Shearer advised with this transaction bonds would be sold later this month, the transaction would close in November and then all those proceeds minus the cost of issuance would be put into an escrow to pay the debt service on the 2012B until the call date in 2022. He further advised buyer’s had restrictions on how much those proceeds could earn in that escrow.

Mr. Shearer stated in a perfect world negative arbitration meant you could earn a little more, but there just was not a market to do that. He further stated some viewed that as inefficient, but they would watch that very carefully to make sure there were no violations.

Mr. Cusick advised with new issuances arbitrage was something to avoid and he was surprised to see it as part of a refinancing. He then asked if it was normal or just because of the taxable nature of the bonds.

Mr. Shearer stated whenever someone did an advanced refunding the whole concept of negative arbitrage should be considered to make sure it was not too inefficient and if so, it may make more sense to wait until you were closer to the call date.

In answer to Mr. Werner’s question as to whether the aggregate principal of $75 million as a cap was mentioned during their presentation, Mr. Shearer advised they did not really talk about a cap at that time. He further advised this would be a parameter ordinance not to exceed an amount.

Mr. Shearer stated the actual size of the transaction they talked about was $66 million. He further stated if the ordinance was adopted on October 17, 2019, they would price the transaction a little after that based on the bids that came in.

Mr. Shearer advised they would file the paperwork with the Department of Community and Economic Development for their approval, which would take approximately 20 days. He further advised they always like to over-estimate the amount that went on the ordinance on their refunding transactions to give them structuring flexibility.
Mr. Shearer stated after the transaction closed the bond counsel would file an additional document with the State to show what the issuance was exactly and to eliminate the balance of the amount in the ordinance from the County’s books. He further stated legally they could not add any new money or any other refinancing of any other debt and this was solely for the refunding purpose only of the 2012B bonds.

In response to Mr. Dietz’s comment that by doing this the County should receive a savings on these bonds, Mr. Shearer advised baring any crazy movement in the market. He further advised if they did see some abnormal condition in the market, they would postpone the transaction until it reached a reasonable level.

In answer to Ms. Zrinski’s comment that she thought there was going to be a floor put on it, Mr. Shearer stated they were going to wait until October 16, 2019 to determine what it should be. He further stated the Government Finance Officers Association’s general rule of thumb for advanced refunding was the net savings should be at least 3% of what was being refunded so they could set a floor at 3% or to be a little more conservative it could be set higher.

In response to Mr. McGee’s question as to whether it was based on the 10 year long term Treasury, Mr. Shearer advised the 10 year Treasury correlated closely to the municipal indices, but since this was a taxable transaction it would correlate even closer.

As there were no further questions or comments, Mr. Heckman called for the vote.

The vote: Werner, "yes"; Heckman, "yes"; Lott, "yes"; McGee, "yes"; Vargo Heffner, "yes"; Zrinski, "yes"; Cusick, "yes"; Dietz, "yes" and Ferraro, "yes".

The resolution was adopted by a vote of 9-0.

Consideration of Support of Jake Schwab Worker’s Safety Bill, House Bill 1082 Resolution

Mr. McGee introduced the following resolution:
R.111-2019 WHEREAS, the majority of private sector workers in the United States are covered by health and safety regulations under the Occupational Health and Safety Administration (OSHA); and

WHEREAS, the number of workers killed on the job in the United States has declined from approximately 14,000 in 1970, when OSHA was created, to 4,674 in 2009, despite the fact that overall employment has more than doubled during that period; and

WHEREAS, local and State government employees, including those in the County of Northampton, are generally not covered by OSHA even though they perform similar job functions and are exposed to similar risks as private-sector employees; and

WHEREAS, the Jake Schwab Worker’s Safety Bill House Bill 1082 would extend protections similar to those provided for under OSHA to local and State government employees in Pennsylvania, at minimal cost to local governments; and

WHEREAS, Jake Schwab had worked as a mechanic for the Erie Metropolitan Transit Authority for twenty-seven years when he was killed on the job by an exploding airbag; and

WHEREAS, at the time of his death, Jake Schwab was working on an unfamiliar bus from another agency, using tools that were inappropriate for the job because the proper tools were not available, and there had been no safety training in his garage for over nine years; and

WHEREAS, Jake Schwab’s death did not even warrant an OSHA investigation because he was a public employee; and

WHEREAS, if Jake Schwab had been covered by OSHA, health and safety regulations may have prevented his untimely death; and

WHEREAS, preventable deaths like Jake Schwab’s are particularly tragic especially for the loved ones they leave behind; and

WHEREAS, the public servants who have dedicated their careers to this community deserve the same health and safety protections as their colleagues in the private sector.

NOW, THEREFORE, BE IT RESOLVED Northampton County Council urges the Pennsylvania General Assembly to support the Jake Schwab Worker’s Safety Bill, House Bill 1082.
BE IT FURTHER RESOLVED by Northampton County Council that a copy of this Resolution shall be forwarded to all members of the Pennsylvania Legislature serving Northampton County.

Mr. Cusick stated he supported worker health and safety, but the County Commissioners Association of Pennsylvania’s (CCAP) platform specifically opposed this legislation so he would suggest the first step would be to try and change their platform.

In answer to Mr. Dietz’s question as to whether they had provided a reason why they opposed it, Mr. Cusick advised bringing another agency, especially at the Federal level, into it would be a cost driver.

Mr. Werner stated County Council should show its support of this House Bill even though CCAP disagreed with it.

Ms. Zrinski advised County Council was an independent body that did not have to be dictated by CCAP. She further advised worker safety was important and the cost of a person’s life should not be leveraged against what the cost might be to administer a program like OSHA.

Mr. McGee stated he would speak to the people at CCAP, but he hoped the majority of County Council would support this resolution as it was a way to let the local legislators know this was the way County Council felt. He further stated in the CCAP letter that Mr. Cusick provided him they indicated that regulation was another problem, but an ounce of prevention was worth a pound of cure.

Mr. Heckman advised some people believed that OSHA was no longer necessary, but when he worked at the cast iron foundry and worked at grinding the only protection was a pair of worker-bought leather gloves and a handkerchief tied around their face. He further advised OSHA and laws like that changed the workplace and the workers actually received masks.

Mr. Heckman stated it upset him that government passed laws and regulations for the private sector and disregarded the public sector. He further stated he was going to support this because he felt it was necessary.

Mr. Lott advised the difference between the private sector and the public sector was OSHA and standards needed to be set so he would support this.
Mr. Werner stated he respected CCAP for what they did, but just because they did not approve of something did not mean County Council had to go along with it.

As there were no further questions or comments, Mr. Heckman called for the vote.

The resolution was adopted by a vote of 8-1.
