Environmental Protection

General Information

Registration for the half day workshop will begin at 7:30 a.m.

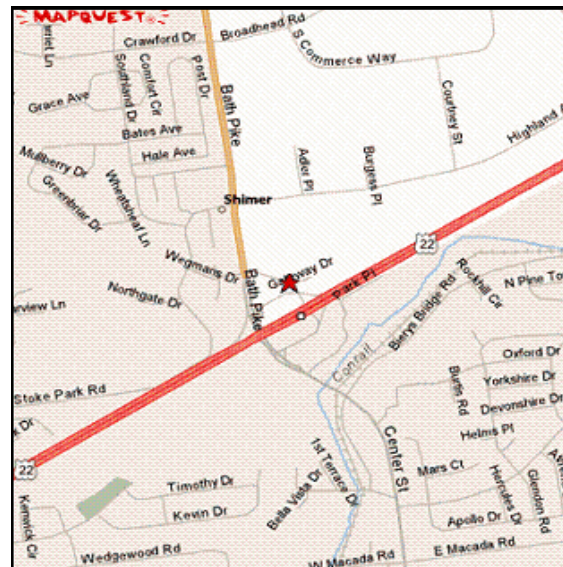

Included with your registration is a full breakfast buffet.

Speakers for the workshop include PA Department of Environmental Protection (DEP), County Conservation District personnel and the PA Fish & Boat Commission. This workshop will provide an overview of inspection and field issues. What Erosion & Sedimentation (E & S) BMPs are and what they do will be explained. Current topics, such as the different types of Post Construction Stormwater Management (PCSM) BMPs, how to protect them during construction and possible required testing when done, will also be addressed. What to look for when doing wetland and stream crossings will be addressed.
