

A Northampton County Conservation District Workshop: Introduction to GIS for Natural Resource Management

We offered this very successful workshop last May and there were many requests for a repeat, so...

Please join us on December 13 and 14 for a two-day workshop that will be held in cooperation with Lafayette College and will include an overview of Geographic Information System (GIS) software. The workshop will focus on GIS use to better manage natural resources for municipal official and others. Co-sponsors of this workshop include Lafayette College and the Martins-Jacoby Watershed Association. For more information, contact Kate Brandes at 610-746-1971.

Workshop Details:
Date: December 13 and 14, 2007
Time: 8:00 a.m. to 4:00 p.m., each day
Location: Lafayette College
Capacity: 20
Registration Deadline: December 7

Registration and a \$10 fee are required. Please complete the form below. Checks should be made payable to: Northampton County Conservation District. Please mail check and registration to: Kate Brandes, Northampton County Conservation District, Gracedale Complex; Greystone Building, Nazareth, PA 18064. A workshop packet will be sent to you with directions and other details.
