

2017 Citizens' Academy

Empowering citizens with the knowledge to shape their community!
2016 Citizens' Class

Fall Session

Northampton County is pleased to announce the sixth annual Citizens' Academy. The Academy is designed for Northampton County residents who have always wanted to learn more about how local government supports its citizens and taxpayers.

The first 25 registered citizens will be among the select few to see and hear about what goes on behind County walls. By the end of the ten-week Academy, you will be educated about the structure of county government and knowledgeable about the programs and services provided. You will not want to miss this opportunity to meet those who make it all happen and put your tax dollars to work!

The goal of the Citizens' Academy is to foster a better relationship between county government and its constituents, while providing the foundation for greater participation on the County's boards, commissions and authorities.

Act now and register today!

Course Outline

Sessions Begin: Wednesday, September 6, 2017

Sessions End: Thursday, November 16, 2017

Time: 6:30 pm – 8:30 pm (Except September 20, 2017, which will be 6:00 pm – 8:00 pm)

Location: Various county locations

Prerequisites:

- Resident of Northampton County
- Willingness to learn
- Desire to have fun!

Tuition: Free! Prepaid by your tax dollars!

Session topics include the following county branches of government:

Human Resources, Human Services, Gracedale Nursing Home, Fiscal Affairs, Community & Economic Development, 911, Open Space, Public Works, Parks, Bridges, Coroner, Sheriff, District Attorney, Public Defender, DUI, Court of Common Pleas, District Courts, Constables, and tours of the Juvenile Justice Center and the County Jail.

Attend all ten sessions and you will ...

- Be a more informed citizen
- Interact with appointed and elected officials
- Hear about the excellent services and programs provided by Northampton County
