

Community Outreach Programs

The Northampton County District Attorney's Office is open to collaborating with various organizations to promote awareness in our communities.

Educate

- To protect our elders from scams and abuse
- To steer our youth toward crime-free lifestyles
- To provide job shadow opportunities

Inform

- To increase awareness of our victim and witness services
- To provide our communities with the right tools to stay safe
- To help understand the resources offered by the district attorney's office

Support

- To reduce crime and violence
- To assist with volunteer efforts
- To improve our county's resources

These are just some of the ways your organization can utilize the services of the Northampton County District Attorney's Office.

If you are interested in collaborating with District Attorney Terence Houck and his team of prosecutors, please call Public Relations Administrator Davin Jurgensen at (610) 829-6671.
