D&M Construction is currently signed with multiple unions. We signed with the Carpenters Union in 2010 and have been hiring union carpenters for the past 11 years. We signed with the Masons Union in 2014. Since 2019 we've had 2 to 5 masons on staff at all times. We signed with the Ironworkers Union in May of 2019 and have been using them on and off since then. On smaller projects we've personally hired ironworkers to perform the work instead of reaching out for pricing.

Thank you,
