

Northampton County Livable Landscapes Grant Program

2022 GRANT ROUND INFORMATION

Livable Landscapes Grant Program opportunities for: land conservation, ecological restoration, and municipal park rehabilitation and development.

Grant Program Purpose: *to protect the County's important natural features by assisting municipalities and organizations to acquire, restore, and enhance permanently protected lands to conserve natural resources and provide outdoor recreation for future generations.*

All applicants and grantees are expected to follow the **Livable Landscapes Grant Program Guidelines** for a grant application and grant administration. A few reminders include:

- A **50% match** (dollar for dollar) of the total project cost is required by the grantee
- All expenditures are incurred 100% by the grantee until project completion
- The grantee will be **reimbursed** based on eligible costs up to the grant award
- If the local match changes, the applicant/grantee must notify the Conservation Coordinator

Livable Landscapes Grant Program Categories

1. **Land conservation:** fee simple acquisition or conservation easement of critical habitat, natural areas, agricultural lands, forest, and land threatened by development
2. **Ecological restoration:** riparian buffers, stream stabilization and habitat improvements, native grass & wildflower meadows, rain gardens, and climate change adaptations
3. **Education and outreach:** open space plans and environmental regulations to protect natural resources, open space, riparian corridors, greenways, and trails
4. **Municipal Park development and rehabilitation:** outdoor recreation and trails with green infrastructure, best management practices, and native plant revegetation
 - Regional trail connections: Two Rivers Area Trail, Northern Tier Trail, D&L Trail
