To complete an online reservation:

1. Select the Northampton County Park (location) by using the drop down arrow in the Park field.
2. Select the pavilion or facility by using the drop down arrow in the Facility field.
3. If you are unsure of the pavilion number, a map is available to the right of the Park field. Click the teardrop icon to display an aerial map. Hover over the markers to display where the pavilions and amenities are located.
4. Your total group size must not exceed the maximum number of people allowed for that pavilion or facility as shown in the Facility field.
5. Enter or click the clock icon to complete the Arrival field. The time must be between 8am-8pm.
6. Find your desired date on the calendar located on the right side of the screen. If the date is marked “Reserved”, it is not available.
7. Click on the available date you want. The date will display red (or a dark color). Reservations are made for the full day.
8. Check the applicable boxes that apply to your desired rental, including the Alcoholic Beverage Permit box, if you plan to bring alcohol. There is no extra charge.

If paying by a cash or check

Double check that the reservation is correct and then click Pay Later

A confirmation message will display that your registration has been made and you will receive Reservation Confirmation email within minutes. You MUST submit a copy of this email with your payment (either via mail or in person). If payment is not received by deadline, or is received without a reservation email accompanying the payment, you may lose your reservation as the computerized reservation system will automatically open the date to others.

If paying by a credit card:

1. Double check that the reservation is correct and then click Pay with Credit Card
2. Complete any empty fields and enter all credit card information. Expiration Date is in MMYY format. For example Sept. 2018 would be 0918. There are no slashes. Credit card number has no special formatting, enter the number only
3. Click Submit when finished. A successful processed message popup will display
4. Click Receipt to see your receipt. It can be printed out, if desired.
Error messages will display if all fields are not completed or if there are extra spaces in front of any words or numbers. If a credit card is declined, you will get a “service not allowed” error message.
