### **\*\*ONLINE RESERVATIONS OPEN THE FIRST COUNTY BUSINESS DAY IN JANUARY AND CLOSE AT THE END OF THE SEASON\*\***

Park reservations can be paid by cash, check or credit card. For credit card payment, an additional 3.5% fee will be added to the facility cost by the 3<sup>rd</sup> party vendor.

If you have any questions, please contact the Parks and Reservations office at 610-829-6400.

### **How to Complete an Online Reservation for a Northampton County Park Facility**

1. Select the Northampton County park (location) by using the drop down arrow in the **Park** field.
2. Select the pavilion or facility desired by using the drop down arrow in the **Facility** field.  
If you are unsure of the pavilion number, a map is available to the right of the **Park** field. Click the teardrop icon to display an aerial map. Hover over the markers to display where the pavilions and amenities are located.
3. Your total group size must not exceed the maximum number of people allowed for that pavilion or facility as shown in the **Facility** field.
4. Find your desired date on the calendar on the right side of the screen. *If the date is shaded, or dark, it is not available.* Once you click on an available date, it will turn red (or a dark color). Reservations are made for the full day.
5. Check the applicable boxes that apply to your desired rental.  
Note: modern restroom facilities are available at Louise W. Moore, Wayne A. Grube, and Wy-Hit-Tuk parks. Portable toilets are not needed during the picnic season for rentals.
6. Complete your contact information as required. Be sure to enter the category that best describes your group. The only section you can leave blank is the "comment" section.
7. Read all 4 statements at the bottom of the screen. Familiarize yourself with Ordinance No. 140-1988 (amended) and all attachments, including the summary of Northampton County Rules and Regulations, as you are fully responsible for the actions of your guests. After confirming these statements, you must check **ALL 4** boxes to complete the reservation. If you don't, you will get an error message.

8. Click on the “make reservation” button to submit. An email of your reservation request will be sent shortly to your email address. It will provide a payment due date for your reservation as well as instructions on making payment. **A copy of this email must accompany your payment within the deadline or you risk losing your reservation.** Once your payment is processed, a second email will be generated which will contain your reservation confirmation number (permit). This email should be brought to the pavilion, or facility, on the day of your event in case there are any questions about your reservation/permit.

Error messages will display if all fields are not completed or if there are extra spaces in front of any words or numbers. If a credit card is declined, you will get a “**service not allowed**” error message.
