### ALCOHOLIC BEVERAGE CONSUMPTION RULES

Alcohol beverage permits are valid solely within the context of a meal. **A permit is required for the possession and consumption of alcoholic beverages**, and is included with a pavilion permit. Cultural and ethnic traditions are respected by this policy. The Pennsylvania State law of 21 years of age is always to be observed.

The following uses of alcohol are not permitted:

1. The drinking of alcoholic beverages outside the confines of pavilions and picnic tables.
2. Use of alcoholic beverages is prohibited after the meal is complete, anywhere.
3. Use of alcoholic beverages in excess of 2-3 drinks a day per legal aged individual.
4. Alcohol beverage permits are not issued to parties of high school and college groups. To do so would be in violation of the state age requirement of 21 years. All members of the group must be 21 years of age.

The individual applying for the reservation permit must assure that his/her guests are aware of the policy and will adhere to this policy. This person will be held responsible for anyone within the group who does not observe this policy. The person with the permit must be on site at all times, otherwise the permit becomes invalid. Proof of age is required. A park security person will check for proof of age.
